SERVICE

1. The time for service of notice of this Application is abridged to the time actually given and service of the Application and supporting materials as described in the Service Affidavit is good and sufficient, and this hearing is properly returnable before this Honourable Court today and further service thereof is hereby dispensed with.

APPROVAL OF THE TRANSACTION

2. The Receiver and the Auctioneer are hereby authorized and directed, subject to the terms and conditions of this Order and the Auction Services Agreement (as previously approved by Order of this Honourable Court dated May 25, 2026), to complete the transactions contemplated by the Auction Services Agreement, with such minor amendments as the Receiver may deem necessary and as may be agreed upon by the Receiver and the Auctioneer, and the Receiver and Auctioneer shall take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the transactions contemplated by the Auction Services Agreement or for the conveyance of the Auctioned Assets to the Auction Purchasers (or their respective nominees), each as defined below at paragraph 4.

VESTING OF PROPERTY

3. The Auctioneer is permitted to market, sell or otherwise transfer the Transferred Assets to potential purchasers, pursuant to the terms of the Auction Services Agreement (the "**Auction**").

4. Any person who purchases a Transferred Asset through the Auction is referred to herein as an "**Auction Purchaser**" and a Transferred Asset purchased by an Auction Purchaser is referred to herein as an "**Auctioned Asset**".

5. Upon the Auctioneer completing a sale of an Auctioned Asset to an Auction Purchaser, and upon receipt of the purchase price by the Auctioneer and delivery by the Auctioneer of a bill of sale or similar evidence of purchase ("**Bill of Sale**") to such Auction Purchaser, all of the Debtors' right, title and interest in and to those Auctioned Assets shall vest absolutely in the name of that Auction Purchaser (or its nominee), free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, caveats, pledges, mortgages, liens, trusts or deemed trusts, reservations of ownership, royalties, options, rights of pre-emption, privileges, interests, assignments, actions, judgements, executions, levies, taxes, writs of enforcement, charges, or other claims, whether contractual, statutory, financial, monetary or otherwise, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the "**Claims**") including, without limiting the generality of the foregoing:

(a) any encumbrances or charges created by the Receivership Order or any other orders granted in the within action or in the receivership estates of any of the Debtors;

(b) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Alberta) or any other personal property registry system; and

(c) those Claims listed on Schedule "B" hereto (all of which are collectively referred to as the "**Encumbrances**"); and,

for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Auctioned Assets are expunged and discharged as against the Auctioned Assets upon the Auctioneer providing to the Auction Purchaser a Bill of Sale.

6. Nothing in this Order shall discharge the obligations of the Auctioneer set out in the Auction Services Agreement or otherwise, or the rights or claims of the Receiver in respect thereof, including the obligations of the Auctioneer to account for and remit the proceeds of sale from the Auction to the Receiver.

7. Upon delivery of the Bill of Sale, and upon filing of a certified copy of this Order, together with any applicable registration fees, all governmental authorities including those referred to below in this paragraph (collectively, "**Governmental Authorities**") are hereby authorized, requested and directed to accept delivery of such Bill of Sale and certified copy of this Order as though they were originals and to register such transfers, interest authorizations, discharges and discharge statements of conveyance as may be required to convey to the Auction Purchaser or its nominee clear title to the Auctioned Assets, including and without limiting the foregoing:

(a) The Registrar of the Alberta Personal Property Registries shall and are hereby directed to forthwith cancel and discharge any registrations at the Alberta Personal Property Registry (whether made before or after the date of this Order) claiming security interests in the estate or interest of the Debtors in any of the Auctioned Assets which are of a kind prescribed by applicable regulations as serial-number goods.

8. In order to effect the transfers and discharges described above, this Court directs each of the Governmental Authorities to take such steps as are necessary to give effect to the terms of this Order and the Auction Services Agreement. Presentment of this Order and the Bill of Sale shall be the sole and sufficient authority for the Governmental Authorities to make and register transfers of title or interest and cancel and discharge registrations against any of the Auctioned Assets of any Claims including Encumbrances.

9. No authorization, approval or other action by and no notice to or filing with any governmental authority or regulatory body exercising jurisdiction over the Auctioned Assets is required for the due execution, delivery and performance by the Receiver of the Auction Services Agreement.

10. For the purposes of determining the nature and priority of Claims, net proceeds from sale of the Auctioned Assets (to be held in an interest bearing trust account by the Receiver) shall stand in the place and stead of the Auctioned Assets from and after delivery of the Bill of Sale and all Claims including Encumbrances shall not attach to, encumber or otherwise form a charge, security interest, lien, or other Claim against the Auctioned Assets and may be asserted against the net proceeds from sale of the Auctioned Assets with the same priority as they had with respect to the Auctioned Assets immediately prior to the sale, as if the Auctioned Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.

11. The Receiver shall be entitled to make a distribution and any subsequent distributions to the Agent on behalf of the Lenders from the cash received and collected by the Receiver in these proceedings, along with the net proceeds of sale of the Auctioned Assets (including the deposit at the point in time it becomes non-refundable) held by the Receiver up to the amount of the indebtedness owed to the Lenders, subject to maintaining sufficient funds in the estate to address any Claims against any Auctioned Assets sold, any claims disputing title or ownership of the Auctioned Assets, and estate costs. The Receiver shall hold back funds in the amounts of $108,625.07 and $10,154.09, purportedly owing by Energera International Inc. and Energera Inc., respectively, with respect to Canada Revenue Agency's priority claim ("**CRA Holdback**") pursuant to subsection 222(1) and/or 222(3) of the *Excise Tax Act*

(Canada). The CRA Holdback shall be subject to the Receiver's and/or the Court's determination as to its priority and validity.

12. Upon completion of the sale of Auctioned Assets to their respective Auction Purchasers pursuant to the Auction, or any subsequent auction held by the Auctioneer in accordance with the terms of the Auction Services Agreement, the Debtors and all persons who claim by, through or under the Debtors in respect of those Auctioned Assets, and all persons or entities having any Claims of any kind whatsoever in respect of those Auctioned Assets, shall stand absolutely and forever barred, estopped and foreclosed from and permanently enjoined from pursuing, asserting or claiming any and all right, title, estate, interest, royalty, rental, equity of redemption or other Claim whatsoever in respect of or to those Auctioned Assets, and to the extent that any such persons or entities remain in the possession or control of any of those Auctioned Assets, or any artifacts, certificates, instruments or other indicia of title representing or evidencing any right, title, estate, or interest in and to those Auctioned Assets, they shall forthwith deliver possession thereof to those Auction Purchasers (or their nominees).

13. The Auction Purchaser (or its nominee) shall be entitled to hold and enjoy its Auctioned Assets for its own use and benefit without any interference of or by the Debtors, or any person claiming by, through or against the Debtors.

14. The Auctioneer is authorized and permitted to use the Debtors' names and any of their intellectual or intangible property in connection with advertising and promoting the Auction.

APPROVAL OF ACTIVITIES AND FEES

15. The Receiver's actions, conduct and activities as set out and described in the Second Report are hereby ratified and approved.

16. The Receiver's accounts for fees and disbursements, as set out in the Second Report are hereby approved without the necessity of a formal passing of its accounts.

17. The accounts of the Receiver's Canadian Counsel and the Receiver's US Counsel, for their respective fees and disbursements, as set out in the Second Report are hereby approved without the necessity of a formal assessment of its accounts.

MISCELLANEOUS NATTERS

18. Notwithstanding:

(b) the pendency of any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3, as amended (the "**BIA**"), in respect of the Debtors, and any bankruptcy order issued pursuant to any such applications;

(c) any assignment in bankruptcy made in respect of the Debtors; and

(d) the provisions of any federal or provincial statute,

the vesting of the Auctioned Assets in the Auction Purchaser (or its nominee) pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtors and shall not be void or voidable by creditors of the Debtors, nor shall it constitute nor be deemed to be a settlement, fraudulent preference, assignment, fraudulent conveyance, transfer at undervalue, or other reviewable transaction under the BIA or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

19. The Receiver, the Auctioneer and any Auction Purchaser (or its nominee) and any other interested party, shall be at liberty to apply for further advice, assistance and directions as may be necessary in order to give full force and effect to the terms of this Order and to assist and aid the parties in closing any transaction for the purchase of Auctioned Assets pursuant to the Auction.

20. No action lies against the Receiver by reason of this Order, due to the performance of any act authorized by this Order, or in respect of the Auction.

21. This Honourable Court hereby requests the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the United States to give effect to this Order and to assist the Receiver, the Auctioneer, and their respective agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders as to provide such assistance to

the Receiver, as an officer of this Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver, the Auctioneer and their respective agents in carrying out the terms of this Order.

22. Service of this Order shall be deemed good and sufficient by:
