AFFIDAVIT

I, Adrian Philion, of 3350 Douglas Street, Victoria, British Columbia, AFFIRM THAT:

1. I am employed by His Majesty the King in right of the Province of British Columbia (the "Province") as a Senior Collection Officer with the Receivables Management Office ("RMO") of the Ministry of Finance. As such, I have personal knowledge of the matters herein referred to, except where indicated to be on information and belief, and where so stated I verily believe them to be true.
2. RMO is responsible for collecting debts owing to the Province by Skeena Sawmills Ltd. ("Skeena Sawmills"), including for amounts owing under the *Forest Act*, RSBC 1996, c 157 ("*Forest Act* debts").
3. The Ministry of Forests is responsible for issuing invoices to forestry tenure holders such as Skeena Sawmills. The next business day after the Ministry of Forests issues an invoice, the data from the invoice is automatically downloaded into the RMO system and RMO is responsible for collecting on the debt. In addition to the downloaded data, RMO can access the original invoices from the Ministry of Forests' Harvest Billing System.

4. After RMO receives the data, billing notices are automatically generated by RMO's system for each issued invoice. The billing notice specifies the date the invoice is due and payable, which is always 30 calendar days after the invoice issue date. Attached as **Exhibit "A"** is a true copy of the most recent billing notice sent to Skeena Sawmills, dated October 25, 2023.
5. Interest accrues on overdue amounts at the prescribed rate of prime plus 3%.
6. On or about March 23, 2022, the Province entered into a payment plan agreement with Skeena Sawmills. Attached and marked as **Exhibit "B"** is a true copy of a letter to Skeena Sawmills from Collection Officer Marilee Puhallo dated March 23, 2022, documenting the payment plan agreement.
7. I started working on the Skeena Sawmills file in about January 2023. I engaged in ongoing negotiations with Skeena Sawmills regarding their payment plan. I reached a new payment plan agreement with Skeena Sawmills on behalf of the Province and documented it in a letter to Skeena Sawmills dated February 10, 2023. Attached and marked as **Exhibit "C"** is a true copy of my letter dated February 10, 2023.
8. In the course of the payment plan negotiations, representatives of Skeena Sawmills advised me that Skeena Sawmills is responsible for paying the *Forest Act* debts of three other entities in addition to Skeena Sawmills: Amabilis Holdings Ltd. ("Amabilis"), Jand Resources Ltd. and Kun Wang. The outstanding balance referred to in Exhibit "C" therefore includes amounts that were owed at that time by Skeena Sawmills, Amabilis, Jand Resources Ltd. and Kun Wang.
9. Since that time, the *Forest Act* debts owed by Jand Resources Ltd. and Kun Wang have been paid off by Skeena Sawmills. The currently outstanding *Forest Act* debts are for Skeena Sawmills and Amabilis, as detailed below.
10. Since at least July 2016, Skeena Sawmills has provided all the security deposits required by Ministry of Forests for Amabilis's forestry licences.
11. I have reviewed RMO's records regarding Skeena Sawmills' outstanding *Forest Act* debts and pulled the related invoices from the Ministry of Forests' Harvest Billing System. Based on my review, Skeena Sawmills' current debt includes all invoices issued by the Ministry of Forests since August 8, 2022, inclusive. The Ministry of Forests issued invoices to Skeena Sawmills from August 8, 2022, until the most recent one dated October 24, 2023, for amounts owing to the Province for stumpage, annual rent, and waste billings under the *Forest Act*.

12. On or about January 19, 2024, I created a spreadsheet of the invoices issued to Skeena Sawmills including the invoice issue date (called the "filing period" in the spreadsheet); the invoice numbers; the forestry licence number associated with the invoice (called the "ministry reference" in the spreadsheet); and the principal, interest, and balance owing under each invoice. Attached and marked as **Exhibit "D"** is a true copy of the spreadsheet I created.
13. Attached and marked as **Exhibit "E"** are true copies of the invoices listed in Exhibit "D", which I retrieved from the Harvest Billing System.
14. Numbers TFL41, A16885, A16882, A94376, A79851, and A95750, which appear on Skeena Sawmills' invoices included in Exhibit "E" and other documents refer to specific forestry licence numbers associated with Skeena Sawmills.
15. RMO's system automatically generates and issues statements of account on a monthly basis. Attached and marked as **Exhibit "F"** are true copies of the statements of account for Skeena Sawmills from December 2022 to December 2023.
16. I have reviewed RMO's records regarding Amabilis's outstanding *Forest Act* debts and pulled the related invoices from the Ministry of Forests' Harvest Billing System. Based on my review, Amabilis's current debt includes all invoices issued by the Ministry of Forests since July 6, 2022, inclusive. The Ministry of Forests issued invoices to Amabilis from July 6, 2022, until the most recent one dated December 15, 2023, for amounts owing to the Province for stumpage, annual rent, and waste billings under the *Forest Act*.
17. On or about January 19, 2024, I created a spreadsheet of the invoices issued to Amabilis including the invoice issue date (called the "filing period" in the spreadsheet); the invoice numbers; the forestry licence number associated with the invoice (called the "ministry reference" in the spreadsheet); and the principal, interest, and balance owing under each invoice. Attached and marked as **Exhibit "G"** is a true copy of the spreadsheet I created.
18. Attached and marked as **Exhibit "H"** are true copies of the invoices referenced within Exhibit "G", which I retrieved from the Harvest Billing System.
19. Numbers A53642, A94373, A84947, and TA1269, which appear on the invoices included in Exhibit "H" and other documents refer to specific forestry license numbers associated with Amabilis.
20. Attached and marked as **Exhibit "I"** are true copies of the statements of account for Amabilis from December 2022 to December 2023.

21. As of January 19, 2024, the total amount owed by Skeena Sawmills Ltd. to the Province under the *Forest Act* is \$1,186,433.92, with interest accruing at the prescribed rate.
22. Each of the exhibits attached to this affidavit is a document made or kept in the Province's usual and ordinary course of business and it was in the Province's usual and ordinary course of the business to record in that document a statement of the fact at the time it occurred or within a reasonable time after that.
