1.0 INTRODUCTION

1.1 On August 13, 2024, in Supreme Court of British Columbia Action No. S-245481, Vancouver Registry (the "**CCAA Proceedings**"), the Supreme Court of British Columbia (the "**Court**") granted Okanagan Growers Distribution Cooperative (formerly known as BC Tree Fruits Cooperative, "**OGDC**"), BC Tree Fruits Industries Limited ("**BCTFIL**") and 0015755 B.C. Ltd. (formerly known as Growers Supply Company Limited, "**GSC**", together with OGDC and BCTFIL, the "**BCTF Group**" or the "**Petitioners**") an initial order ("**Initial Order**") under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended. Among other things, the Initial Order granted the BCTF Group an initial stay of proceedings up to and including August 23, 2024, and appointed Alvarez & Marsal Canada Inc. ("**A&M**") as the monitor of the BCTF Group (the "**Monitor**") with enhanced powers.

1.2 During the CCAA Proceedings, this Honourable Court granted several orders authorizing the sale of substantially all the BCTF Group's real property and other assets. All the transactions approved under these orders have now been completed.

1.3 On August 27, 2025, on the application of the Monitor, this Court granted two orders:

a) an order (the "**Name Change and Claims Payment Order**"), among other things, authorizing the Monitor and Receiver (as defined below) to change the names of the BCTF Group and pay the claims (the "**Initial Accepted Claims**") allowed by the Monitor as enumerated at Appendix B to the Fourteenth Report of the Monitor dated August 25, 2025 (the "**Fourteenth Report**"); and

b) an order (the "**Receivership Order**"), among other things: (i) discharging A&M as Monitor of the Petitioners; and (ii) appointing A&M as receiver (the "**Receiver**"), without security, of all of the assets, undertakings and property of the BCTF Group, including all proceeds thereof (the "**Receivership Proceedings**"), pursuant to section 39 of the *Law and Equity Act*, R.S.B.C. 1996, c. 253.

1.4 The Receivership Order further: (a) authorized the Monitor to make the payments contemplated under the Name Change and Claims Payment Order; and (b) expressly empowered and authorized the Receiver to carry out all of the duties of the Monitor under the Claims Process Order granted in the CCAA Proceedings on April 28, 2025 (the "**Claims Process Order**").

1.5 On September 29, 2025, on the application of the Receiver, this Court granted an order (the "**Second Claims Payment Order**") which, among other things, authorized the Receiver to pay the

claims of additional claimants with Accepted Claims as enumerated in the Receiver's report dated September 29, 2025.

1.6 On April 9, 2026, on the application of the Receiver, this Court granted the following orders:

a) an order (the "**Third Claims Payment Order**"), among other things: (i) authorizing the Receiver to pay the claims of those claimants whose claims had been accepted by the Receiver since the granting of the Second Claims Payment Order (collectively, the "**Third Accepted Claims**"); (ii) approving the disallowance by the Monitor and Receiver, as applicable, of a claim by Farming Karma Fruit Company Ltd.; and (iii) authorizing the Receiver to deliver a Notice of Revision or Disallowance for any and all Claims in respect of Proof of Claims delivered to the Monitor, but which had not been reviewed and adjudicated pursuant to paragraph 20 of the Claims Process Order; and

b) an order (the "**Member Distribution Determination Procedure Order**") approving a process to determine the OGDC members and former members' (in such capacities prior to the closing of the Arrangement as defined below; and, collectively, the "**Members**") tree fruit delivery volume for the crop years 2018 to 2023, for the purpose of determining Members' entitlement to distribution of surplus funds (the "**Member Distribution Determination Procedure**").

1.7 On May 13, 2026, on the application of the Receiver, this Court granted the following orders:

a) an order (the "**Arrangement Approval Order**") approving a proposed plan of arrangement dated May 4, 2026 made among 1589040 B.C. Ltd. ("**Acquireco**"), Amarjit Singh Lalli (the "**Representative Member**"), in his capacity as the representative of the current members of OGDC (the "**Current Members**", also referred to as the "**Shareholders**"), and the Receiver (the "**Plan of Arrangement**") under Division 5 of Part 9 of the *Business Corporations Act*, S.B.C. 2002, c. 57 and the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended, and the transactions contemplated thereby (the "**Arrangement**") to facilitate the purchase by Acquireco of all of the Current Members' shares in OGDC (being all of the issued and outstanding shares in the capital of OGDC) (the "**Shares**"); and

b) an order approving a notice and voting procedure for Current Members of OGDC for the approval of the Plan of Arrangement (the "**Member Voting Procedure Order**").

1.8 On May 28, 2026, on the application of the Receiver, this Court granted an order (the "**Union Claim Revision Order**") revising the claim (the "**Union Claim**") of the United Food and Commercial Workers Union, Local No. 247 (the "**Union**"), as approved by the Third Claims Payment Order.

1.9 Concurrent with filing this Fourth Report of the Receiver (the "**Fourth Report**"), the Receiver has filed an application for an order (the "**Member Distribution Order**") which, amongst other things authorizes the Receiver to pay former and current members a pro-rata distribution of surplus funds in accordance with Rule 125 of the *Co-op Rules* using the results of the Member Distribution Determination Procedure.

1.10 Further information regarding the CCAA Proceedings and the Receivership Proceedings, including copies of all orders made in these proceedings and all affidavits, reports of the Monitor and Receiver, and other Court-filed documents and notices (other than anything filed under seal) (collectively, the "**Filed Materials**") are available at www.alvarezandmarsal.com/bctreefruits (the "**Receiver's Website**").

2.0 PURPOSE OF REPORT

2.1 This Fourth Report has been prepared by the Receiver to provide this Honourable Court with information regarding the following matters:

a) the status of the Claims Process, including with respect to the Union Claim;

b) an update on the Plan of Arrangement;

c) the actual receipts and disbursements of the BCTF Group from March 30, 2026 to July 31, 2026 (the "**Reporting Period**"); and

d) the status of the Member Distribution Determination Procedure and the proposed Member Distribution Order.

2.2 The Fourth Report should be read in conjunction with the Filed Materials found on the Receiver's Website. Background information contained in the Filed Materials has not been included herein to avoid unnecessary duplication. Capitalized terms not otherwise defined in this Fourth Report have the meanings ascribed to them in the Filed Materials.

2.3 Unless otherwise stated, all monetary amounts contained in this Fourth Report are expressed in Canadian dollars.

3.0 CLAIMS PROCESS UPDATE

Existing Disputed Claims

3.1 Since the granting of the Third Claims Payment Order, the Receiver has further worked to resolve those outstanding claims which are subject to a notice of dispute pursuant to the Claims Process Order (the "**Disputed Claims**"). The status of the then three Disputed Claims are as follows:

a) Sukhmander Sandhu and Surjit Sandhu (together, the "**Sandhus**"): On July 27, 2026, this Honourable Court issued its decision in respect of the Sandhus' application for, among other relief, an award of $118,382.95 in connection with their claim against the receivership estate. This Court dismissed the Sandhus' application in its entirety, and its reasons are reported at *BC Tree Fruits Cooperative (Re)*, 2026 BCSC 1400.

b) Karmjit and Balvir Gill (together, the "**Gills**"): At the time of the Second Report, the Receiver was intending to revise the Gills' claim from $50,000 to $36,884.61. However, subsequent to the Second Report, the Receiver was provided with additional information on the Gills' claim which led to the Receiver's decision to disallow the Gills' claim in full. On April 30, 2026, the Receiver delivered a Notice of Revision or Disallowance to the Gills, disallowing and revising the Gills' claim, from the amount of $50,000, to $0. The Gills delivered their Notice of Dispute on May 14, 2026. The Receiver reviewed the Notice of Dispute and accompanying materials and, on July 13, 2026, advised the Gills that the Receiver maintained its position of disallowing and revising their claim to $0, and requested delivery of further evidence substantiating their claim by July 31, 2026. The Receiver has not received any further information or communication from the Gills to date.

c) Mangal Capital Inc. ("**Mangal**"): Notwithstanding a prior tentative agreement among counsel regarding a litigation schedule, which contemplated the hearing of an application by Mangal in June 2026, Mangal has not filed an application to date.

Claims by the Union

3.2 On May 28, 2026, this Honourable Court granted the Union Claim Revision Order. As noted earlier, the Union Claim (employee portion) is subject to Service Canada's review for potential EI overpayment. The Receiver provided the revised accepted amounts to Service Canada for their review on April 14, 2026.

3.3 On August 10, 2026, the Receiver received the EI overpayment review results from Service Canada. The Receiver is currently processing the payments to the respective individuals based on Service Canada's review.

3.4 Further to the Union Claim Revision Order, on June 30, 2026, the Receiver received two further claims from the Union, by way of a Supplemental Notice of Dispute dated June 29, 2026 and Supplemental Proof of Claim dated June 30, 2026. The Receiver is in the process of reviewing the Union's recent claims.

4.0 THE ARRANGEMENT

4.1 On May 28, 2026, upon application of the Receiver, this Honourable Court granted the Member Voting Procedure Order and the Arrangement Approval Order. Capitalized terms used in this section of this Fourth Report and not otherwise defined have the meanings ascribed to them in the Member Voting Procedure Order. In particular, references to "Members" in this section of this Fourth Report shall be read as referring to those persons constituting the current members of OGDC immediately prior to the closing of the Arrangement.

4.2 In accordance with the Member Voting Procedure Order:

a) on May 13 and 14, 2026, the Receiver sent, via mail and email, the Member Voting Procedure Order, the Notice to Members, a letter from the Members' Representative Counsel, a blank Objection Notice, and the Plan of Arrangement (collectively, the "**Transaction Notice Package**") to the last known email and mailing address of each member as set out in the books and records of OGDC; and

b) on May 15, 2026, the Receiver posted the Transaction Notice Package to the Receiver's Website. On the same day, the Receiver caused the Notice to Members to be published on *Castanet.net*.

4.3 On May 25, 2026, being the date of the Voting Deadline, the Receiver received zero Objection Notices.

4.4 The Member Voting Procedure Order sets out that the Plan of Arrangement is approved if the Required Majority is met (at least $66\frac{2}{3}\%$ of the Members vote in favor). As zero Objection Notices were received, the Required Majority was met and 100% of Members were deemed to have voted in favor.

4.5 Following the Voting Deadline, the Receiver informed Acquireco's legal counsel of the voting results to initiate the steps outlined in section 3.2 of the Plan of Arrangement. Acquireco requested, and the Receiver and the Members' Representative consented, to extend the closing date of the Plan of Arrangement from May 29, 2026 to June 19, 2026.

4.6 On June 18, 2026, the Receiver received funds in the amount of $2,262,000 making up the Cash Consideration in the Plan of Arrangement.

4.7 On June 19, 2026, the Receiver received confirmation that the steps outlined in section 3.2 in the Plan of Arrangement were complete and the Receiver released the Receiver's Certificate resulting in the Plan of Arrangement taking effect.

4.8 Distribution of the Cash Consideration is subject to any Arrangement Costs, being professional fees incurred by the Receiver, its legal counsel, and the Members' Representative Counsel, in connection with the Plan of Arrangement.

4.9 On July 15, 2026, the Receiver made the pro-rata net distribution of $11,454.86 each to the 174 former "current members" of ODGC.

5.0 RECEIVER'S INTERIM STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS FOR THE PERIOD ENDED JULY 31, 2026

5.1 The Receiver's interim statement of receipts and disbursements for the Reporting Period is summarized in the table below:

a) accounts receivable collections pursued by the Receiver and a debt collection agency, interest on GIC investments and other receipts totaling $494,000;

b) disbursements for independent contractors totaled $5,000 during the Reporting Period;

c) other general and administrative costs were $73,000, and consisted of payments for unpaid employer health taxes, document storage and management, telecom and internet services, as well as tax preparation and other administrative services;

d) professional fees, including payments to the Receiver, Fasken, counsel for the current members' representative and counsel for the former members' representative totaled $709,000; and

e) distributions totaled $4.9 million and consisted of distribution cheques to unsecured creditors, remittances for EI overpayments and statutory payables.

5.3 As at July 31, 2026, the Receiver's trust accounts held a combined total of $14.2 million, of which $14.0 million was held in the form of a GIC.

6.0 MEMBER DISTRIBUTION ORDER

6.1 On April 9, 2026, the Receiver commenced the Member Distribution Determination Procedure. The Member Distribution Determination Procedure is described in the Second Report of the Receiver dated April 1, 2026 (the "**Second Report**"). Capitalized terms used in this section of this Fourth Report and not otherwise defined have the meanings ascribed to them in the Member Distribution Determination Procedure Order.

6.2 In accordance with the provisions of the Member Distribution Determination Procedure Order:

a) on April 9, 2026, the Receiver posted a copy of the Member Distribution Determination Procedure Order, the Instruction Letter, a blank Member Declaration and a blank Dispute Notice to the Receiver's Website;

b) on April 15, and 24, 2026, the Receiver published the Notice to Members on *Castanet.net*; and

c) on April 14, 15 and 16, 2026, the Receiver sent the Distribution Determination Package to all Members.

6.3 On the Delivery Reporting Deadline, nine (9) Member Declarations were filed with the Receiver. Upon review, two (2) were accepted after further review and seven (7) Notices of Adjustment were issued.

6.4 As of the date of this Fourth Report, the Dispute Deadline of June 15, 2026 had lapsed and zero Notices of Dispute were filed with the Receiver. As a result, there are no Disputed Delivery Amounts.

6.5 As of June 15, 2026, the total Proven Delivery Amount for all Current Members and Former Members was 566.7 million pounds. A summary of the Proven Delivery Amount is summarized below:

BCTFIL: Member Distribution Process	
Delivery Assessment Notices sent	356
Delivery Amount in Delivery Assessment Notices (lbs)	564,503,078
Increase in Delivery Amounts after Member Distribution Determination Procedure (lbs)	2,155,025
Proven Delivery Amounts (lbs)	**566,658,103**

6.6 As noted above, the BCTF Group holds approximately $14.2 million of cash in its bank accounts. Accordingly, the Receiver is of the view that it would be appropriate to distribute a significant portion of the funds on hand, with amounts withheld to pay all outstanding potential claims against the BCTF Group that remain outstanding and estimated costs incurred in the administration of the Receivership Proceedings through to its conclusion.

6.7 The Receiver has tabled below an estimate of funds available to be distributed in the proposed Distribution Order:

BC Tree Fruits Industries Limited Estimated Funds Available for Distribution *CA$000's*		
Ending cash balance as of July 31, 2026	$	14,156
Withholdings for disputed/outstanding claims		
Mangal Capital Claim		(549)
Supplemental Union Claim		(558)
Karmjit and Balvir Gill Claim		(50)
		(1,157)
Estimated future disbursements		
Union Claim		(418)
Statutory liabilities		(25)
Surjit Sandhu Claim		(13)
		(455)
Estimated funds available		12,545
Proposed funds to be distributed	**$**	**11,500**

6.8 Based on the above, the Receiver believes a distribution of approximately $11.5 million (the "**First Distribution**") would be appropriate, with the remaining funds held in trust to address future administrative costs and professional fees incurred during the Receivership Proceedings.

6.9 Appended to this Fourth Report at Appendix "A" is the Receiver's proposed distribution list, which details the Proven Delivery Amount and the proposed payment to each Member, based on the proposed First Distribution of $11.5 million. Each Member's net entitlement is dependent on such Member's Proven Delivery Amount (as a percentage of total Proven Delivery Amounts), and is subject to setoff for any amounts that the Member may owe to the BCTF Group (collectively, the "**Claims of Setoff**"). For greater clarity, the net distribution amount for each Member will consist

of the gross distribution amount less the applicable Claim of Setoff, if any (the "**Net Distribution Amount**").

6.10 Based on a review of the receivership estate's books and records, the Receiver has determined that 50 of the 356 Members owe the approximate aggregate amount of $2.5 million to the receivership estate, reflecting the following:

a) unpaid invoices for services, equipment and supplies provided to Members by OGDC or 0015755 B.C. Ltd. (formerly Growers Supply Company Limited), and range from $68.15 to $63,536.11 for individual Members; and

b) liquidated damages claims against four Members, in the approximate aggregate amount of $1.56 million, which claims range from $64,744.14 and $943,339.58.

The Claims of Setoff provide the estate with partial recovery of these outstanding amounts.

6.11 In order to address circumstances where a Member disagrees with a Claim of Setoff and the resulting Net Distribution Amount, the Receiver proposes a dispute mechanism similar to a "reverse claims" process, as set out in the proposed Member Distribution Order and further detailed below.

6.12 Each eligible Member will receive a package including (a) an instruction letter (the "**Instruction Letter**"), (b) if, applicable, a blank dispute notice (the "**Dispute Notice**") and, (c) if applicable, a cheque in the net distribution amount (collectively, with the Instruction Letter and Dispute Notice, the "**Distribution Notice Package**"). For Members against whom a Claim of Setoff is asserted, the Instruction Letter will outline the details of the Net Distribution Amount and a brief description of the basis for the Claim of Setoff.

6.13 The Instruction Letter to be delivered to Members against whom the receivership estate asserts Claims of Setoff sets out the process through which these Members may dispute such claims. Should a Member wish to dispute a Claim of Setoff and the resulting Net Distribution Amount, the Member must deliver a Dispute Notice to the Receiver, within 30 days after the receipt of the Distribution Notice Package. Upon receipt of a Dispute Notice, the Receiver may attempt to consensually resolve the dispute regarding the Claim of Setoff. If the Receiver and the disputing Member unable to resolve the dispute, the Receiver may, at its sole discretion, file one or more applications with this Court for an order declaring the Claim of Setoff to be valid (each an "**Expedited Application**"). Should a Member wish to respond to an Expedited Application, the Member must serve an application response within 10 business days after service of the Expedited Application.

6.14 To facilitate the timely and efficient resolution of Expedited Applications, if any, the Receiver intends to request from this Honourable Court a hearing date to be reserved for the express purpose of hearing such Expedited Applications. Given the proposed timelines for disputing Members' delivery of Dispute Notices, as well as for the filing and service of application materials (including application response materials and replies, if any), the Receiver intends to schedule the contemplated hearing date in late November 2026, subject to the Court's availability.

6.15 The Receiver notes that a future final distribution may be required, depending on the outcome of the abovementioned Disputed Claims (including the Union's recent claims) and the Receiver's ability to further pursue outstanding receivables, and at a time when the within Receivership Proceedings are nearing their conclusion. It is premature to provide any indication as to when that may occur.

6.16 The Receiver's observations in relation to the proposed Member Distribution Order and the quantum of the First Distribution are as follows:

a) as noted above, it is the Receiver's view that the quantum of the proposed First Distribution is reasonable, as it takes into account all the outstanding claims to be paid and/or adjudicated, and provides a reserve for future administrative costs and professional fees that may be incurred;

b) the proposed distribution is made in accordance with the *Co-op Rules*, and as directed by this Honourable Court;

c) the Member Distribution Determination Procedure, which provided Members with the opportunity to assert their Delivery Amounts through a process approved by this Court, has now concluded with no outstanding disputes;

d) the Receiver proposes to make the First Distribution at this time, prior to the adjudication of any potential disputes regarding the Claims of Setoff, as the majority of Members are <u>not</u> subject to the estate's Claims of Setoff;

e) the Receiver is of the view that the BCTF Group's books and records are sufficiently reliable to enable the Receiver to make a reasonable assessment of the amounts owing by Members to the estate. To the extent that a Member disputes the Receiver's Claims of Setoff, such Member has the opportunity to bring its dispute forward through the delivery of a Dispute Notice and, potentially, through an Expedited Application process;

f) asserting Claims of Setoff against distributions to Members allows the Receiver to collect on outstanding receivables on an expedited timeframe. Similar arrangements have been made in prior claims processes granted in these proceedings (including through the court-approved claims assignment process related to the B.C Investment Agriculture Foundation and the subsequent court-approved claims process);

g) the Member Distribution Order will allow the Receiver to retain sufficient holdback of funds in respect to ongoing Disputed Claims, address future anticipated disbursements and retain adequate funds to address professional fees and conduct an orderly wind-down of the Receivership Proceedings; and

h) a near-term distribution of the BCTF Group's assets will provide the Members with additional liquidity through the summer and fall harvest seasons.

7.0 CONCLUSIONS AND RECOMMENDATIONS

7.1 The Receiver respectfully recommends that this Honourable Court grant the Member Distribution Order.

All of which is respectfully submitted to this Honourable Court this 13th day of August, 2026.
