(collectively, the “Agent”), attached to the Order as **Exhibit 1**, (ii) authorizing and approving the sales by the Agent (acting on behalf of the Debtors) of Rolling Stock Assets free and clear of any liens, claims, interests and encumbrances, and (iii) granting related relief (effective upon the sale thereof).

JURISDICTION AND VENUE

2. The United States District Court for the District of Delaware has jurisdiction over this matter pursuant to 28 U.S.C. § 1334, which was referred to the United States Bankruptcy Court for the District of Delaware (the “Court”) under 28 U.S.C. § 157 pursuant to the Amended Standing Order of Reference from the United States District Court for the District of Delaware, dated February 29, 2012. The Debtors confirm their consent, pursuant to rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The statutory bases for the relief requested herein are sections 105, 327, 328 and 363 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rules 2002, 2014 and 6004 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Rules 2014-1 and 6004-1.

BACKGROUND

5. On August 6, 2023 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. These chapter 11 cases

have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b) [Docket No. 169]. The Debtors are managing their businesses and their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

6. On August 16, 2023, the United States Trustee for the District of Delaware (the “U.S. Trustee”) appointed an official committee of unsecured creditors [Docket No. 269] (the “Committee”). No trustee or examiner has been appointed in these chapter 11 cases.

7. On September 15, 2023, the Court entered the *Order (I)(A) Approving Bidding Procedures for the Sale or Sales of the Debtors’ Assets; (B) Scheduling Auctions and Approving the Form and Manner of Notice Thereof; (C) Approving Assumption and Assignment Procedures, (D) Scheduling Sale Hearings and Approving the Form and Manner of Notice Thereof; (II)(A) Approving the Sale or Sales of the Debtors’ Assets Free and Clear of Liens, Claims, Interests and Encumbrances and (B) Approving the Assumption and Assignment and Assignment of Executory Contracts and Unexpired Leases; and (III) Granting Related Relief* [Docket No. 575] (the “Bidding Procedures Order”).

8. On September 21, 2023, the Court entered the *Order (I) Approving the Debtors’ Selection of a Stalking Horse Bidder, (II) Approving Bid Protections in Connection Therewith, (III) and Granting Related Relief* [Docket No. 624].

9. On October 16, 2023, the Debtors and the Agent entered into the Agency Agreement. The Agency Agreement provides, as further described below and subject in all respects to the terms of the Agency Agreement, that the Debtors will engage the Agent to ready the Debtors’ Rolling Stock Assets for sale and to dispose of the Rolling Stock Assets through private treaty, online, webcast, or unreserved public auctions to maximize the value of the

Rolling Stock Assets. The Agency Agreement also provides that the Agent may sell the Rolling Stock Assets from Company Properties, and will remove the remaining Rolling Stock Assets from Company Properties by no later than six (6) months from the entry of the Order (the “Removal Date”) and transport the Rolling Stock Assets to Agent Properties, at which locations the Agent may conduct further sales of the Rolling Stock Assets.

10. Substantially contemporaneously herewith, the Debtors filed: (i) the *Motion of Debtors for Entry of an Order Shortening Notice of Motion of Debtors’ for Entry of an Order (I) Approving Agency Agreement with Nations Capital, LLC, Ritchie Bros. Auctioneers (America) Inc., IronPlanet, Inc., Ritchie Bros. Auctioneers (Canada) Ltd. and IronPlanet Canada Ltd. Effective as of October 16, 2023; (II) Authorizing the Sale of Rolling Stock Assets Free and Clear of Liens, Claims, Interests and Encumbrances; and (III) Granting Related Relief* (the “Motion to Shorten”); (ii) the *Notice of Cancellation of Rolling Stock Auction* (the “Auction Cancellation Notice”)³; (iii) the *Declaration of Cody Leung Kaldenberg in Support of Motion of Debtors for Entry of an Order (i) Approving Agency Agreement with Nations Capital, LLC, Ritchie Bros. Auctioneers (America) Inc., IronPlanet, Inc., Ritchie Bros. Auctioneers (Canada) Ltd. and IronPlanet Canada Ltd. Effective as of October 16, 2023; (II) Authorizing the Sale of Rolling Stock Assets Free and Clear of Liens, Claims, Interests and Encumbrances; and (III) Granting Related Relief* (the “Kaldenberg Declaration”); and (iv) the *Declaration of Disinterestedness of Nations Capital, LLC, Ritchie Bros. Auctioneers (America) Inc., IronPlanet, Inc., Ritchie Bros. Auctioneers (Canada) Ltd., and IronPlanet Canada Ltd.* (the “Agent Declaration,” and together with the Kaldenberg Declaration, the “Declarations”).

³ The Bidding Procedures Order sets Auction Dates for the Rolling Stock Assets (October 18, 2023) and the Real Property Assets and all other Assets (November 28, 2023).

11. The Debtors have determined, in an exercise of their business judgment in consultation with their advisors and the Consultation Parties, to pursue sales of the Rolling Stock Assets under the Agency Agreement rather than as originally intended by the Debtors and their advisors pursuant to the Bidding Procedures Order. The Agent possesses significant storage capacity for all of the Debtors' Rolling Stock Assets, which it intends to remove from Company Properties (and thereafter store at Agent Properties) within approximately six (6) months following entry of the Order. This arrangement will reduce the Debtors' rent obligations and permit the Rolling Stock Assets to be sold over a more extended period of time than if the Debtors did not enter into the Agency Agreement. For these and other reasons (as described herein and in the Kaldenberg Declaration), the Debtors determined that the Agency Agreement presented the most value-maximizing option for dispositions and sales of the Rolling Stock Assets.

The Agency Agreement

12. The Debtors filed these chapter 11 cases to conduct an orderly and value-maximizing liquidation of their extensive portfolio of real estate and trucking Assets. To that end, the Debtors and their advisors have engaged with hundreds of prospective purchasers of the Assets, including under the terms and conditions of the Bidding Procedures Order. To maximize the value of the Rolling Stock Assets, the Debtors, with the support of their key creditor constituents, including those with priority liens on the Rolling Stock Assets, respectfully submit that the relief requested herein—*i.e.*, to retain the Agent as the Debtors' exclusive broker and auctioneer of the Rolling Stock Assets—will best position the estates to maximize the value of the Rolling Stock Assets.

13. As described in further detail below, the relief requested herein should be authorized for several reasons. *First*, the Agent possesses unparalleled and market-leading expertise, experience, and relationships for marketing and selling the Rolling Stock Assets in a value-maximizing manner. *Second*, the Agent has the capability (including sufficient manpower and storage space) to remove the Rolling Stock Assets from the Company Properties no later than the Removal Date. *Third*, the Agent will reasonably refurbish the Rolling Stock Assets, if needed, to best position them for value-maximizing sales. *Fourth*, the Agent will execute the foregoing as promptly as commercially practicable, including by “clearing” the Company Properties of the Rolling Stock Assets by the Removal Date (a capability the Debtors lack) so that the Debtors’ Real Property Assets purchaser(s) may enter and utilize those premises. *Fifth*, as described in the Kaldenberg Declaration, the Agency Agreement sets forth terms and conditions that are commercially reasonable, were executed at arms’-length and in good faith, and reflect an exercise of the Debtors’ sound business judgment. *Sixth*, the relief contained herein has the support of the Debtors’ key creditor constituents, including the Creditors’ Committee, the Prepetition UST Secured Parties (which hold a significant number of first-priority liens on the Rolling Stock Assets), the B-2 Parties, and the Junior DIP Secured Parties.

14. The Debtors believe that the Agency Agreement will provide the best overall solution for a value-maximizing liquidation of the Rolling Stock Assets (including their removal from the Company Properties). Under the Agency Agreement, the Agent has offered competitive and commercially reasonable economic terms. These terms and conditions were negotiated at arms’-length and in good faith with the Debtors. Under the Agency Agreement, the Agent may conduct any combination of commercial sales, public unreserved auctions, and online sales—pursuant to strategies approved by the Debtors in consultation with the Consultation

Parties—to maximize liquidation values of the Rolling Stock Assets for the benefit of creditor recoveries.⁴⁵

15. In sum, the Agent’s industry-leading marketing and auction platforms, extensive experience in conducting value-maximizing liquidations of this magnitude, and proven capabilities to market, sell, transport, and store the Rolling Stock Assets will best position the Rolling Stock Assets to achieve the highest possible liquidation values. Accordingly, the relief requested herein should be approved.

16. A summary of the material terms of the Agency Agreement is set forth below:⁶

Term	Agency Agreement
The Agent’s Services	In connection with the marketing, disposition and sale (including removal, transportation, and storage of, as applicable) of the Rolling Stock Assets (the “<u>Rolling Stock Services</u>”), Agent will: (i) develop an advertising, removal, transportation, storage, disposition and marketing plan (including the timing, sale modality and location) for the marketing, removal, transportation, storage, and sale of the Rolling Stock Assets (the “<u>Disposition Plan</u>”) within forty-five (45) days of the entry of the Retention Order designed to maximize the net recovery on the Rolling Stock Assets and consult with Company (in consultation with the

⁴ Currently, Rolling Stock Assets only includes the assets listed in Exhibit A to the Agency Agreement. The Debtors request the authority to modify Exhibit A to the Agency Agreement in the future without further order of the Court.

⁵ Pursuant to the Agency Agreement, the Agent will market and sell the Rolling Stock Assets both in live and online formats, in multiple phases as needed through both private sales and public auctions. Such auctions are customarily held in the trucking industry with no reserving, meaning that there are no minimum bid requirements. Unreserved auctions are designed to maximize value by eliminating barriers to entry and creating a global marketplace where competition for the goods can flourish. The Agent’s private sale process is generally based on the prevailing market rates set at recent auctions, but are effectuated outside of the auction process because the applicable parties were able to facilitate the sale through private channels. These private sales can reduce transaction costs and the duration of the sale process.

⁶ This summary is provided for convenience purposes only. To the extent any of the terms described below are inconsistent with the Agency Agreement, the Agency Agreement shall control in all respects.

	Consultation Parties) with respect to the foregoing plan; (ii) implement the advertising, removal, transportation, storage, disposition and marketing plan as deemed necessary or appropriate by Agent and provide the Company (which shall, in turn, provide the Consultation Parties) with weekly updates on the implementation of such plan; (iii) prepare for the sale of the Rolling Stock Assets, including gathering specifications and photographs for pictorial brochures or other advertising means and arranging (including removing and transporting to Agent Properties (as applicable) and refurbishing (as applicable)) the Rolling Stock Assets in a manner, which in Agent's commercially reasonable judgment is designed to enhance the net recovery on the Rolling Stock Assets; (iv) provide fully qualified and experienced personnel who will advertise, market, prepare for sale and sell the Rolling Stock Assets and promptly account for the proceeds thereof in accordance with the terms of this Agreement; (v) provide additional staffing to handle all auction-related accounting tasks, including a complete auction crew to handle computerized accounting functions necessary to provide auction buyers with invoices and the Company with a complete accounting of all Rolling Stock Assets sold at any auction or otherwise; (vi) (A) organize, oversee, staff, and facilitate all aspects of purchasers' removal of Rolling Stock Assets from the Company Properties and (B) organize and provide fully qualified and experienced drivers, towing services, and other necessary and specialized personnel and services necessary on a commercially best efforts basis to remove (by either (a) on-site sale and removal by buyer or (b) removal and transportation by Agent) from Company Properties any and all Rolling Stock Assets within six (6) months of entry of the Retention Order (the "<u>Removal Date</u>") and to transport any such Rolling Stock Assets to commercially appropriate facilities owned or possessed by the entities comprising the Agent or their affiliates ("<u>Agent Properties</u>"), where Agent will store such Rolling Stock Assets in a commercially reasonable manner; <i>provided</i> that the Company agrees to coordinate with Agent to provide the minimum level of Company staffing (but not less than one) necessary to ensure Agent's access to Company Properties and ability to execute its obligations hereunder; <i>provided further</i> that Agent acknowledges and agrees it will provide substantially all staffing related to and necessary for the marketing, sale, removal, transportation, and storage of the Rolling Stock Assets during the Term as contemplated by this Agreement; <i>provided further</i> that Agent agrees to use commercially best efforts to remove all Rolling Stock Assets from all Company Properties by

the Removal Date, including its commercially best efforts to remove all Rolling Stock Assets from Priority Company Properties (defined below)⁷ within three (3) months after the date of the entry of the Retention Order; *provided further* that Agent acknowledges and agrees that the Removal Date (*i.e.*, the date that is six (6) months from the date of entry of the Retention Order) shall not be extended except in Company's sole, exclusive, and reasonable discretion (in consultation with the Consultation Parties); *provided further*, however, if Company determines to not extend the Removal Date, Agent shall have the right to cure by continuing to use commercially best efforts to remove and transport remaining Rolling Stock Assets from Company Properties during the three (3) months following the Removal Date (the "Cure Period"), with any occupancy costs incurred by the Company during such Cure Period added to the Gross Proceeds tiered ranges set forth below; and *provided further* that Agent's failure to remove all Rolling Stock Assets (without Company's consent in consultation with the Consultation Parties) from Company Properties by the Removal Date (as may be extended or during any Cure Period) shall result only in a Gross Proceeds range upward adjustment as provided in Section III.B.(i) below, and Agent shall, following any cure period, unless agreed otherwise with the Company (in consultation with the Consultation Parties), use commercially best efforts to dispose of any remaining Rolling Stock Assets (y) at Company Properties "AS IS" "WHERE IS" and (z) at Agent Properties in Agent's commercially reasonable discretion either (1) "AS IS" "WHERE IS" or (2) if any Rolling Stock Services Expenses budget remains, refurbished in an effort to maximize the Gross Proceeds of such Rolling Stock Assets at Agent Properties, as promptly as commercially practicable, with any additional occupancy costs incurred by the Company adjusting the Gross Proceeds tiers upwards by such costs incurred following the Removal Date. For the avoidance of doubt, (m) the Company's sole and exclusive remedy for the Agent's failure to remove all Rolling Stock Assets from Company Properties by the Removal Date, as may be extended by agreement or by the expiration of the Cure Period, or by the expiration of the Term, shall be an increase in the Gross Proceeds range upward adjustment as provided in Section III.B.(i) below and (n) Agent shall not be liable for any actual, special, consequential or punitive damages; *provided* that nothing in this Section III(A)(vi) shall remove or otherwise limit the Company's termination rights under this Agreement, including but not limited to, for cause.

(vii) as part of the Disposition Plan, recommend (and consult with the Company

⁷ "Priority Company Properties" shall mean those Company Properties provided in a list by the Company to Agent within two (2) business days following entry of the Retention Order which (a) Agent shall use its commercially best efforts to clear of Rolling Stock Assets within three (3) months after the date of the entry of the Retention Order and (b) amount to no more than fifty (50%) of the Company Properties. Company and Agent may adjust the list of Priority Company Properties thereafter to the extent agreed and commercially practicable.

	(in consultation with the Consultation Parties)) and manage refurbishment (including, <i>e.g.</i>, cleaning, topping off fluids, replacement of tires and batteries, etc.) of certain of the Rolling Stock Assets to prepare for sales, in each case where appropriate and value-maximizing, and arrange for, oversee, and execute all other tasks in connection with same; (viii) sell the Rolling Stock Assets for cash or other immediately available funds at live, internet or internet-assisted auctions or by private treaty to the highest bidder(s) pursuant to standard buyer terms and conditions and on an “AS IS,” “WHERE IS” and “all sales are final” bases. Only sales by private treaty and Strategic Bulk Sales (as defined below) shall be subject to approval by the Company (not to be unreasonably withheld or delayed) in consultation with and following notice to the Consultation Parties and their advisors). Sales of Rolling Stock Assets at live, internet, or internet-assisted auctions shall not be subject to the Company’s consent; <i>provided</i>, however, for the avoidance of doubt, the approximate timing of such auctions and the scope of Rolling Stock Assets included therein shall be subject to the Company’s consent (not to be unreasonably withheld or delayed) in consultation with the Consultation Parties; (ix) charge and collect on behalf of Company from all purchasers any purchase price together with all applicable taxes in connection therewith and manage and administer the processing of all Company certificates of title associated with titled Rolling Stock Assets; (x) assist the Company and/or its advisors as necessary to obtain all required approvals and authorizations from the Bankruptcy Court or the Canadian Court (as defined in the Bidding Procedures Order) with respect to any sale of Rolling Stock Assets contemplated herein, which assistance may include, without limitation, testimony at hearings before the Bankruptcy Court or the Canadian Court, attendance at depositions and/or the provision of declarations or affidavits in support of Rolling Stock Asset sales (provided that Agent shall not be responsible for the costs of such assistance); <i>provided</i>, however, time spent preparing to deliver testimony (whether in court or for purposes of a deposition), attending court proceedings, and delivering any testimony in court or during a deposition will be charged on a time and materials basis based on Agent’s then prevailing hourly rates (“<u>Testimony Fees</u>”), which Testimony Fees are not otherwise included in Agent’s compensation set forth herein, and Agent shall be reimbursed for reasonable attorney’s fees and expenses incurred in connection therewith; <i>provided</i>, however, Agent’s legal fees in connection with the foregoing (which shall be limited to those of one law firm) and Testimony Fees shall not be subject to the limitation on expenses in Section III.B.(i); (xi) work with the Company and/or its advisors to prepare reports, statements, affidavits or similar documents required under Rule 6004 of the Federal Rules of Bankruptcy Procedure (the “<u>Bankruptcy Rules</u>”) or any applicable

	local rule (including, if necessary, as part of the Canadian Recognition Proceeding (as defined in the Bidding Procedures Order)); (xii) collect Gross Proceeds generated by the sale of the Rolling Stock Assets and account and remit net proceeds (Gross Proceeds less any amounts due to Agent hereunder, the “<u>Net Proceeds</u>”) to the Company by transferring the Net Proceeds to an account as directed by the Company (the “<u>Client Account</u>”), provided that the Agent shall remit all collected Net Proceeds to the Client Account together with a settlement statement (a) with respect to any sale to a single purchaser generating Gross Proceeds in excess of \$10,000,000, within five (5) business days following Agent’s receipt of good funds on account of such Gross Proceeds from any such purchaser and (b) with respect to all other sales, on a rolling basis in each case as promptly as commercially practicable (and at least every fourteen (14) calendar days following the commencement of the Rolling Stock Assets sales), subject to a periodic true up and audit procedures to be agreed between the Agent and the Company (in consultation with the Consultation Parties) to reflect the actual calculation of the Rolling Stock Services Fees (defined below) earned by the Agent during such period (if such amounts have not already been earned and withheld by Agent) and reimbursement of Rolling Stock Services Expenses (defined below) and Transportation Fees (defined below). The Company shall provide a copy of each settlement statement to the Consultation Parties. In connection with any true up and/or audit of the Net Proceeds, Rolling Stock Services Fees, Rolling Stock Services Expenses and Transportation Fees, the Company shall be granted access to all accounting and information necessary to complete the audit/true up (and the Consultation Parties shall have access to such accounting and information from the Company, once provided to the Company). “Gross Proceeds” shall be defined as cumulative collected gross receipts from the sale of the Rolling Stock Assets, exclusive of sales taxes and Transaction Fees (defined below) charged to purchasers; (xiii) only if and to the extent required and requested by the Company, procure or provide insurance coverage on the Company’s behalf at rates lower (if available) than the rates paid by the Company for Rolling Stock Assets only once such assets are delivered to certain of the Agent Properties; (xiv) submit to the Company and its advisors (which shall provide the same, upon receipt, to the Consultation Parties and their advisors) (a) bi-weekly sales reports and (b) a final and complete sales report no later than fourteen (14) calendar days after the end of the Term.
Term of Agency Agreement	Eighteen (18) months following from the Effective Date.
Sale Format	For purposes of marketing and selling the Rolling Stock Assets, Agent shall market and sell the Rolling Stock Assets during the Term (defined below) of this Agreement

	substantially consistent with the Disposition Plan (defined below) utilizing private treaty, online, webcast, or unreserved public auctions, and such other sale strategies as the Company (in consultation with the Consultation Parties (as defined in the Bidding Procedures Order) (as defined below)) and Agent mutually agree. ⁸

⁸ For the avoidance of doubt, any reference herein to the consultation rights of the Consultation Parties shall mean the Company's (not Agent's) obligation to consult with the Consultation Parties in each applicable case.

Compensation

- (i) In consideration of its performance of the Rolling Stock Services, the Rolling Stock Services Fee shall be a percentage of the Gross Proceeds collected and payable on sales of owned Rolling Stock Assets, in accordance with the table below:

Tier	Start	End	Fee
1	\$0	\$475,000,000	██████
2	\$475,000,001	\$600,000,000	██████
3	\$600,000,001	\$800,000,000	██████
4	\$800,000,001	Above \$800,000,001	██████

With respect to Rolling Stock Assets that are missing or are in unsalable condition only (as reasonably determined by Agent, “Unsaleable Assets”), the Gross Proceeds ranges shown above will be adjusted downward based on existing orderly liquidation values provided to and accepted by the Agent. Agent acknowledges it has reviewed and accepted such orderly liquidation values of the Rolling Stock Assets provided by the Company to Agent in the Company’s data room in advance of entering this Agreement. In the event adjustment(s) are required pursuant to this provision, each tier of Gross Proceeds shown above will be adjusted downward ratably based on the contribution of the Unsalable Assets to the total orderly liquidation values provided to and accepted by the Agent. The Gross Proceeds ranges shown above will be adjusted downward based on Strategic Bulk Sales.

Pursuant to Section III.C of this Agreement, Agent will work with Company to mutually agree upon budgeted amounts for Rolling Stock Services Expenses and Transportation Fees (each as defined herein). In the event that total budgeted amounts of Rolling Stock Services Expenses (excluding title transfer fees) and Transportation Fees exceeds \$38.4 million, each of the Gross Proceeds ranges shown above will be adjusted upward by the dollar amount that the total budgeted amounts exceed \$38.4 million. Further, in the event the Company incurs occupancy costs after the Removal Date solely on account of Rolling Stock Assets remaining on such properties, each of the Gross Proceeds ranges shown above will be adjusted upward by the dollar amount of such occupancy costs pursuant to Section III.A(vi); *provided*, however, if the Company (in consultation with the Consultation Parties) and Agent agree to extend the Removal Date (including by amendment to the Disposition Plan) in order to maximize the Gross Proceeds, then the Gross Proceeds ranges shown above will not be adjusted upwards unless additional costs are incurred beyond such extended Removal Date; *provided further*

	that Agent acknowledges and agrees that the Removal Date (<i>i.e.</i>, the date that is six (6) months from the date of entry of the Retention Order) shall not be extended except in the Company's sole and exclusive discretion. For the avoidance of doubt, the above ranges apply marginally, <i>i.e.</i>, the next fee tier only applies to each dollar of Gross Proceeds in excess of the cutoff for the prior tier. With respect to leased Rolling Stock Assets, the Rolling Stock Services Fee shall be [REDACTED] for any amount of Gross Proceeds therefrom. (ii) The Company has indicated that it will share with Agent a list of potential buyers who have each expressed an interest in purchasing a sub-set of the Rolling Stock Assets. Any lists provided must be from specific buyers on a specific list of the Rolling Stock Assets. Agent and the Company's representatives (in consultation with the Consultation Parties, to the extent required under the Bidding Procedures Order) will assess these expressions of interest and mutually determine whether or not to negotiate and execute any such sales. In the event that binding transaction documentation for any such sales is executed within sixty (60) days of the entry of the Retention Order (such sales, "<u>Strategic Bulk Sales</u>"), which such transaction documentation shall set forth the purchase price for each Rolling Stock Asset and across categories of Rolling Stock Assets, Agent will reduce its commission rate to [REDACTED] for those applicable Rolling Stock Assets sold pursuant to Strategic Bulk Sales; <i>provided</i>, however, Agent shall be entitled to the full commission rate for any portion of the Gross Proceeds of such Strategic Bulk Sales for Rolling Stock Assets that were not initially included in the specific list provided by the Company and that are directly attributable to Agent's services and efforts that resulted in increased Gross Proceeds generated on account of such increase in units sold or pricing. For the avoidance of doubt, any Strategic Bulk Sales at the reduced commission rate shall cause a downward adjustment of the Gross Proceeds tiers described in Section III.B(i) above based on existing orderly liquidation values provided to and accepted by the Agent.
Expenses	Agent shall market and sell the Rolling Stock Assets in a commercially practical and prompt manner, including in various phases if commercially reasonable to do so, consistent with the Disposition Plan and this Agreement. Agent shall advance (up to the agreed Rolling Stock Services Expenses budget)⁹, and shall be entitled to reimbursement by the Company for all Rolling Stock Services Expenses on a cost basis, regardless of whether or not any Rolling Stock Assets are sold, and which expenses shall be recovered from the collected Gross Proceeds of the sale of Rolling Stock Assets only. "Rolling Stock Services Expenses" mean the Agent's commercially reasonable and documented

⁹ The Parties will discuss and agree to the Rolling Stock Expenses budget as promptly as practicable following the Effective Date.

out-of-pocket expenses for repair and refurbishment costs to be incurred solely to maximize the Net Proceeds to the Company and title transfer fees equal to or less than (if applicable) \$50.00 per title. Agent will not charge the Company for storage of any Rolling Stock Assets following their removal of such Rolling Stock Assets from the Company Properties. Notwithstanding anything to the contrary provided herein, Agent shall not be obligated to advance payment of Rolling Stock Services Expenses or Transportation Fees in excess of the Rolling Stock Services Expenses budget or the Transportation Fees budget, respectively, and shall thereafter use commercially best efforts, unless agreed otherwise with the Company, to dispose of the remaining Rolling Stock Assets “AS IS” “WHERE IS” during the duration of the Term, with any additional costs incurred by the Company for occupancy adjusting the Gross Proceeds tiers upwards by such costs incurred following the Removal Date; *provided* that if the aggregate of Rolling Stock Services Expenses and Transportation Fees incurred exceed \$38.4 million (not to be exceeded without Company’s prior written consent in consultation with the Consultation Parties), then the Gross Proceeds ranges in Section III.B.(i) above shall be adjusted upwards by such amount in excess of \$38.4 million.

Agent shall advance (up to the agreed Transportation Fees budget)¹⁰ and shall be entitled to reimbursement of its expenses on a cost basis for (a) removing all Rolling Stock Assets from off the Company Properties’ premises consistent with the Disposition Plan and this Agreement and (b) transporting such Rolling Stock Assets to Agent Locations in a commercially practicable and economical manner (such fees and costs, the “Transportation Fees”). In addition to the Rolling Stock Services Fees, the Company shall be responsible for Transportation Fees, both of which shall be recovered from the collected Gross Proceeds derived from the sale of Rolling Stock Assets only. Notwithstanding anything to the contrary provided herein, Agent shall not be obligated to advance payment of Rolling Stock Services Expenses or Transportation Fees in excess of the Rolling Stock Services Expenses budget or the Transportation Fees budget, respectively, and shall thereafter use commercially best efforts, unless agreed otherwise with the Company, to dispose of the remaining Rolling Stock Assets “AS IS” “WHERE IS” during the duration of the Term, with any additional costs incurred by the Company for occupancy adjusting the Gross Proceeds tiers upwards by such costs incurred; *provided* that if the aggregate of Rolling Stock Services Expenses and Transportation Fees incurred exceed \$38.4 million (not to be exceeded without Company’s prior written consent in consultation with the Consultation Parties), then the Gross Proceeds ranges in Section III.B.(i) above shall be adjusted upwards by such amount in excess of \$38.4 million.

Agent shall provide the Company (which shall in turn provide to the Consultation Parties) an updated Rolling Stock Services Expenses budget and an updated Transportation Fees budget as promptly as practicable (and no event later than fourteen (14) days) following Agent’s incurrence of eighty (80) percent, or \$30.7 million, of the abovementioned \$38.4 million budget for Rolling Stock Services Expenses and

¹⁰ The Parties will discuss and agree to the Transportation Fees budget as promptly as practicable following the Effective Date.

	Transportation Fees. Agent is authorized to charge purchasers a transaction fee (the “<u>Transaction Fee</u>”). With respect to Rolling Stock Assets sold at a public auction run by Ritchie Bros. Auctioneers (America) Inc. or its affiliates, any Transaction Fee collected shall not exceed the following: (a) [REDACTED] on all lots selling for USD 12,000 or less, with a minimum fee of USD [REDACTED] per lot,¹¹ (b) [REDACTED] on all lots selling for over USD 12,000 up to USD 75,000, with a minimum fee of USD [REDACTED] per lot or, (c) USD [REDACTED] on all lots selling for over USD 75,000. For the avoidance of doubt, any Rolling Stock Assets sold through a private treaty or other mutually agreeable sales platforms that are not sold via public unreserved auction shall not be subject to the Transaction Fee. The Transaction Fee shall not be considered Gross Proceeds for the purpose of calculating the Rolling Stock Services Fees hereunder. Agent agrees that [REDACTED] percent of each Transaction Fee shall be credited against the Rolling Stock Service Fee earned and owing to Agent in connection with the applicable sale.
Indemnification	Agent understands that the Rolling Stock Assets will be sold AS IS and WHERE IS, without representation or warranty of any nature of kind whatsoever, and the Company does not make any representations or warranties with respect to the Rolling Stock Assets, except for specifically stated under Section VI of this Agreement (provided, however, any existing or remaining manufacturer’s warranty shall remain and be transferred to the extent permissible and practicable to any buyer). The Company hereby agrees to indemnify and hold Agent harmless from any and all claims, causes of actions, damages, losses, or liabilities (including, without limitation, reasonable and documented attorney’s fees) of any kind arising from or related to (i) the Company’s material breach of any of its obligations, representations and warranties hereunder, (ii) its performance or failure to perform hereunder, (iii) the Company’s failure to pay any personal property taxes associated with the Rolling Stock Assets, and (iv) the fraud, negligence, gross negligence (including omissions) or willful misconduct of the Company, its officers, directors, employees, agents or representatives. The Company further agrees to indemnify and hold Agent harmless from any and all claims, causes of actions, damages, losses, or liabilities (including, without limitation, reasonable attorney’s fees) of any kind arising from any misrepresentations concerning the Rolling Stock Assets made by the Company to Agent. Notwithstanding the foregoing, the Company shall not in any circumstances indemnify Agent from any claims or causes of action arising from any fraud, negligence, gross negligence (including omissions) or willful misconduct of Agent or its respective officers, directors, employees, agents, contractors, consultants or representatives. Agent hereby agrees to indemnify and hold the Company and its affiliates and their officers, directors, principals, shareholders, affiliates, members, consultants, attorneys, advisors, and employees (collectively, “<u>Company Indemnified Parties</u>”) harmless from any and all claims, causes of actions, damages, losses, or liabilities (including, without limitation, reasonable attorney’s fees), including those asserted by any buyer or

	prospective buyer, arising from or related to (i) Agent's material breach of any of its obligations, representations and warranties hereunder, (ii) its performance or failure to perform hereunder, (iii) the fraud, negligence, gross negligence (including omissions) or willful misconduct of Agent, its officers, directors, employees, agents, Third Parties, affiliates, contractors or representatives, or (iv) any liability or other claims asserted by Agent's consultants, members, employees, representatives, affiliates, contractors and principals (excluding Company Indemnified Parties) against a Company Indemnified Party arising out of or related to Agent's conduct of the sale of the Rolling Stock Assets, except claims arising from the Company's gross negligence, willful misconduct or unlawful behavior. Notwithstanding the foregoing, Agent shall not in any circumstances indemnify Company from any claims or causes of action arising from any fraud, negligence, gross negligence (including omissions) or willful misconduct of the Company or its respective officers, directors, employees, agents, contractors, consultants or representatives.

BASIS FOR RELIEF

17. For the reasons explained herein and in the Kaldenberg Declaration, the Debtors believe that approval of the Agency Agreement, retention of the Agent as the Debtors' exclusive marketer, broker, and auctioneer for the Rolling Stock Assets, and the Agent's sale (on the Debtors' behalf) of the Rolling Stock Assets free and clear of liens, interests, and encumbrances (effective upon the sale thereof) is in the best interests of the Debtors, their creditors, and their estates.

I. The Court Should Authorize the Retention of the Agent as the Debtors' Exclusive Broker and Auctioneer for the Rolling Stock Assets.

18. Section 327(a) of the Bankruptcy Code provides that a debtor, subject to court approval:

[M]ay employ one or more attorneys, accountants, appraisers, auctioneers, or other professional persons, that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [debtor] in carrying out the [debtor's] duties under this title.

11 U.S.C. § 327(a). To the best of the Debtors' knowledge, information, and belief, which are based upon and in reliance upon the representations of disinterestedness set forth in the Agent

Declaration filed contemporaneously herewith, the Agent (i) does not hold any interest materially adverse to the Debtors' estates; (ii) has no material connection with the Debtors, the creditors, any other party in interest or related parties herein outside of these chapter 11 cases; and (iii) is a "disinterested person" as such term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code. Given that the Agent is a national auctioneer specializing in the sale of truck tractors, trailers, and other personal property, the Agent has served as auctioneer to sell assets for, or has other relationships with, one or more of the Debtors' creditors. Nonetheless, based upon the Agent Declaration, the Agent is not working for or on behalf of any of the Debtors' creditors in connection with this matter and no such relationship is material to the Agent. Accordingly, the Debtors respectfully submit that the Agent satisfies the requirements of section 327(a) of the Bankruptcy Code and can act as the Debtors' exclusive marketer, broker, and auctioneer for the Rolling Stock Assets pursuant to the Agency Agreement.¹²

19. Additionally, the Debtors seek approval of the terms of the Agency Agreement, including the proposed compensation to be paid to the Agent, pursuant to section 328(a) of the Bankruptcy Code. Section 328(a) of the Bankruptcy Code provides, in relevant part, that debtors "with the court's approval, may employ or authorize the employment of a professional person under section 327. . . on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis . . ." 11 U.S.C. § 328(a). Accordingly, section 328 permits the

compensation of professionals on flexible terms that reflect the nature of their services and market conditions.

20. The Debtors respectfully submit that the terms and conditions of the Agency Agreement are fair, reasonable, and market-based under the standards set forth in section 328(a) of the Bankruptcy Code. In accordance with the Agency Agreement, the Agent shall receive a commission based on the gross sale price of the Rolling Stock Assets as follows (subject to the adjustments as set forth in the Agency Agreement): (a) [REDACTED] for sales of Rolling Stock Assets realizing up to \$475 million; (b) [REDACTED] for a sale realizing between \$475,000,001 and \$600 million; [REDACTED] for a sale realizing between \$600,000,001 and \$800 million; and [REDACTED] for a sale realizing more than \$800,000,001. For the reasons previously stated and described further below, the Debtors submit that entry into the Agency Agreement is necessary and in the best interests of the Debtors and their estates.

21. Accordingly, the retention and employment of the Agent pursuant to the terms of the Agency Agreement is reasonable under the circumstances and is in the best interests of the Debtors, their estates, their creditors, and other parties in interest.

II. Entry into the Agency Agreement for the Agent's Marketing and Selling of the Rolling Stock Assets Reflects a Sound Exercise of the Debtors' Business Judgment.

22. Section 363(b)(1) of the Bankruptcy Code provides that "[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). This Court's power under section 363 is supplemented by section 105(a), which provides in relevant part that "[t]he Court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title...." § 105(a).

23. A debtor should be authorized to sell assets out of the ordinary course of business pursuant to section 363 of the Bankruptcy Code and prior to obtaining a confirmed plan of reorganization if it demonstrates a sound business purpose for doing so. *See In re Del. & Hudson Ry. Co.*, 124 B.R. 169 (D. Del. 1991) (finding that the sale of substantially all of debtor's assets outside of a plan of reorganization is appropriate when a sound business reason justifies such a sale); *Myers v. Martin (In re Martin)*, 91 F.3d 389, 394–95 (3d Cir. 1996) (citing *Fulton State Bank v. Schipper (In re Schipper)*, 933 F.2d 513 (7th Cir. 1991)); *Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1070–71 (2d Cir. 1983).

24. Here, the Debtors submit that the Agent's marketing and selling the Rolling Stock Assets on the Debtors' behalf pursuant to the Agency Agreement is an exercise of sound business judgment. The Agent possesses the unparalleled ability to maximize the amounts realized from the sales of the Rolling Stock Assets, given its specialized and widespread access to the freight markets and its extensive experience with assets of this nature. Further, the Agent can and will immediately take steps to reasonably refurbish the Rolling Stock Assets if needed to maximize sale values. The Agent has conducted liquidation processes in various high-profile assignments in the Debtors' industry for the benefit of creditor recoveries. Thus, the Agent is uniquely qualified to execute its obligations under the Agency Agreement and to assist the Debtors in maximizing the value of the Rolling Stock.

25. Given the vast numbers of tractors and trailers comprising the Debtors' geographically dispersed Rolling Stock Assets and the Agent's access to Agent Properties, as well as the specialized market for the Rolling Stock Assets and the Debtors' present lack of manpower and transportation resources, the Debtors determined that the most efficient method for disposing of the Rolling Stock Assets in a value-maximizing manner would be with the

assistance of an auctioneer experienced with and well-known in the trailer and tractor markets, including with the resources and capabilities necessary to remove from Company Properties, transport, and store the Rolling Stock Assets. Any attempt by the Debtors to liquidate the Rolling Stock Assets (including to refurbish Rolling Stock Assets and to transport the Rolling Stock Assets off of Company Properties) would require the Debtors, which terminated nearly all of their workforce at the outset of these chapter 11 cases, to significantly increase their existing operational capabilities and personnel.

26. The Agent is the only auctioneer available to the Debtors that has the capability to remove and transport the Rolling Stock Assets off of the Company Properties by the Removal Date (*i.e.*, six (6) months from entry of the Order). Removing the Rolling Stock Assets off the Company Properties by the Removal Date (and thereafter storing and selling the Rolling Stock Assets at the Agent Properties) is critical to ensuring that the Company Properties can be sold in a value maximizing manner and utilized by the eventual purchaser(s) without the hindrance of the Rolling Stock Assets still on premises.

27. Further, by utilizing the Agent's services to remove the Rolling Stock Assets from Company Properties, the Debtors will be able to minimize rent and other expenses at the Company Properties (which will continue to accrue with each additional month the Company Properties are not cleared of the Rolling Stock Assets). Sale closings relating to the Company Properties are expected to occur in or around the first two months of 2024. Lacking the resources and personnel to clear the Company Properties, the Debtors require the services and expertise of the Agent to efficiently and expeditiously accomplish this task. Doing so will maximize the value of the Real Property Assets pursuant to the ongoing Sale Process under the

Bidding Procedures Order, save significant costs for the estates, and ultimately maximize stakeholder recoveries.

28. As mentioned, the Agent is an industry-leading marketer, auctioneer, and broker of assets of this type with vast industry connections and experience. The Agent possesses the expertise and the resources to efficiently and expeditiously market, sell, transport, and store the Rolling Stock Assets in a value-maximizing manner. The Agent is best positioned to market the Rolling Stock Assets extensively and to ensure that the Debtors receive the highest or otherwise best offers and Net Proceeds achievable for the Rolling Stock Assets.

29. The Agent has been in the business of, among other things, refurbishing and selling heavy equipment and trucks since 1958. With a global network that includes over forty permanent auction sites around the world and operations in more than fifteen countries, the Agent sells billions of dollars of heavy equipment and trucks and trailers each year and helps thousands of people and companies around the world appraise, sell, inspect, buy, refurbish, ship and finance heavy equipment, trucks, and other assets every month.

30. Accordingly, the Debtors believe that the entry into the Agency Agreement and retention of the Agent will provide the best method for selling the Rolling Stock Assets in a manner that will maximize creditor recoveries. The Debtors respectfully submit that they have satisfied the requirements of sections 105 and 363 as those sections have been construed by courts in the Third Circuit and that the sale of the Rolling Stock Assets by the Agent, whether by auction or private sale, meets the standard set forth in section 363(b) for sales outside of the ordinary course of a debtor's business.

III. The Court Should Authorize Entry into the Agency Agreement Effective as of October 16, 2023.

31. The Debtors request approval of the Agency Agreement with the Agent effective as of October 16, 2023. The Third Circuit has identified “time pressure to begin service” and absence of prejudice as factors favoring *nunc pro tunc* retention. *See Matter of Arkansas Co.*, 798 F.2d 645, 650 (3d Cir. 1986); *see also In re Indian River Homes, Inc.*, 108 B.R. 46, 52 (D. Del. 1989). Given the exigencies of these cases, the Debtors require the Agent to commence work immediately. Under these circumstances, no party will be prejudiced, and *nunc pro tunc* relief should be approved. Accordingly, the Debtors believe that approval of the Agency Agreement effective as of October 16, 2023, on the terms and conditions proposed herein and in the Agency Agreement, is appropriate.

IV. Sales of the Rolling Stock Assets Free and Clear of All Encumbrances Is Authorized under Section 363(f) of the Bankruptcy Code.

32. Section 363(f) of the Bankruptcy Code authorizes a debtor to sell assets free and clear of liens, claims, interests and encumbrances if:

(1) applicable nonbankruptcy law permits sale of such property free and clear of such interest; (2) such entity consents; (3) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property; (4) such interest is in bona fide dispute; or (5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.

11 U.S.C. § 363(f).

33. Because section 363(f) of the Bankruptcy Code is drafted in the disjunctive, satisfying any one of its five requirements will suffice to permit the sale of the assets “free and clear” of liens and interests. *See Citicorp Homeowners Servs., Inc. v. Elliot (In re Elliot)*, 94 B.R. 343, 345 (E.D. Pa. 1988) (noting that because section 363(f) is written in the disjunctive, a court may approve a sale free and clear if any one subsection is met); *see also*

Mich. Emp't Sec. Comm'n v. Wolverine Radio Co. (In re Wolverine Radio Co.), 930 F.2d 1132, 1147 n.24 (6th Cir. 1991) (same); *In re Bygaph, Inc.*, 56 B.R. 596, 606 n.8 (Bankr. S.D.N.Y. 1986) (same). Furthermore, a debtor possesses broad authority to sell assets free and clear of liens. *See In re Trans World Airlines, Inc.*, 322 F.3d 283, 289 (3d Cir. 2003).

34. The Debtors submit that, in the interest of attracting the best offers and highest Net Proceeds for the Rolling Stock Assets, it is appropriate to sell the Rolling Stock Assets free and clear of any and all encumbrances in accordance with section 363(f) of the Bankruptcy Code because one or more of the tests of section 363(f) are satisfied with respect to such Sale. In particular, the Debtors submit that section 363(f)(2) of the Bankruptcy Code will be met as to their Secured Parties (defined below).

35. The Debtors stipulate that the Rolling Stock Assets are subject to the liens of the Prepetition Secured Parties, the Prepetition UST Secured Parties, and the Junior DIP Secured Parties (collectively, the "Secured Parties") as set forth in the DIP Orders, the UST Cash Collateral Orders, and the Prepetition Intercreditor Agreement, as applicable. Such liens will attach to the Net Proceeds of each sale of the Rolling Stock Assets, including on the Client Account where the Net Proceeds will be deposited, for the benefit of the Secured Parties, in accordance with the Final DIP Order and the Final UST Cash Collateral Order, as applicable, and each of the foregoing parties has consented to or is expected to consent to the sales of the Rolling Stock Assets by the Agent, on behalf of the Debtors, pursuant to the Agency Agreement. Therefore, the Rolling Stock Assets may be sold free and clear under section 363(f)(2).

36. Moreover, with respect to any other party asserting a lien, claim, or encumbrance against the Rolling Stock Assets, the Debtors anticipate that they will be able to satisfy one or more of the conditions set forth in section 363(f) of the Bankruptcy Code. In

particular, known lienholders, if any, will receive notice of this Motion and will be given sufficient opportunity to object to the relief requested. Such lienholders that do not object to the relief requested in this Motion should be deemed to have consented. *See FutureSource LLC v. Reuters Ltd.*, 312 F.3d 281, 285–86 (7th Cir. 2002) (“[L]ack of objection (provided of course there is notice) counts as consent. It could not be otherwise; transaction costs would be prohibitive if everyone who might have an interest in the bankrupt’s assets had to execute a formal consent before they could be sold.”) (internal citations omitted); *Hargrave v. Twp. of Pemberton (In re Tabone, Inc.)*, 175 B.R. 855, 858 (Bankr. D.N.J. 1994) (holding that creditor’s failure to object to sale free and clear of liens, claims and encumbrances satisfies section 363(f)(2)); *In re Elliot*, 94 B.R. at 345 (same). Consistent with the foregoing, the notice of this Motion provides that the absence of a timely objection to the sale of the assets in accordance therewith shall be “consent” to such sale within the meaning of section 363(f)(2) of the Bankruptcy Code.

37. A sale of the Rolling Stock Assets other than one “free and clear” of all interests would yield substantially less value for the Debtors’ estates. The Debtors submit that potential purchasers are unlikely to consummate a sale absent the ability to purchase the Rolling Stock Asset(s) free and clear of all liens, claims, encumbrances, and interests. Accordingly, the Debtors request that the Rolling Stock Assets be authorized to be sold free and clear with any such liens, claims, encumbrances, and interests attaching to the Net Proceeds of the sale, subject to any rights and defenses of the Debtors and other parties in interest with respect thereto.

38. In approving the sales by the Agent (acting on the Debtors’ behalf) of the Rolling Stock Assets free and clear of liens, claims, interests, or encumbrances, the Debtors request that the Court find that those who purchase the Rolling Stock Assets through the Agent’s

sale process are entitled to the protections afforded by section 363(m) of the Bankruptcy Code. This relief is appropriate in light of the opportunity for review and objection provided herein.

WAIVER OF BANKRUPTCY RULE 6004

39. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the fourteen-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

NOTICE

40. The Debtors will provide notice of this motion to: (a) the U.S. Trustee; (b) Akin Gump Strauss Hauer & Feld LLP, as counsel to the Committee; (c) Arnold & Porter Kaye Scholer LLP and the U.S. Department of Justice, as counsel to the Prepetition UST Secured Lenders; (d) White & Case LLP, as counsel to the B-2 Lenders; (e) Quinn Emmanuel Urquhart & Sullivan, LLP, as co-counsel to the Junior DIP Lender; (f) Ropes & Gray LLP, as co-counsel to the Junior DIP Lender; (f) Choate, Hall & Stewart LLP, as counsel to the Prepetition ABL Agent; (g) Holland & Knight LLP, as counsel to the Junior DIP Agent and the B-2 Agent; (h) Hogan Lovells US LLP, as counsel to the Prepetition UST Tranche A Agent and the Prepetition UST Tranche B Agent; (i) Whiteford, Taylor & Preston LLP, as counsel to the Real Estate Stalking Horse Purchaser; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the “Notice Parties”). In light of the nature of the relief requested, no other or further notice need be given.

CONCLUSION

WHEREFORE, the Debtors respectfully request that the Court enter an order substantially in the form of the Proposed Order attached hereto as **Exhibit A** and grant such other relief as is just and proper under the circumstances.

Professional Background and Qualifications

3. Founded in 2015, Ducera is an independent investment banking advisory firm, which has extensive experience in, among other areas, providing leading-edge capital structure and restructuring advice in both in-court and out-of-court situations. In addition to numerous out-of-court restructurings and sales, Ducera professionals have served as investment bankers to debtors, creditor groups, asset purchasers, committees, boards of directors, and trustees in a number of bankruptcy and restructuring matters. Ducera provides a broad range of corporate and financial services to its clients, including: general corporate advice; mergers, acquisitions, and divestitures; corporate restructurings; and private placements. Ducera provides its services from three offices located in the United States.

4. Ducera has more than fifty professionals and is one of the leading advisors and investment bankers to debtors, secured and unsecured creditors, acquirers, and other parties in

interest involved with financially troubled companies requiring complex financial restructurings, both in and outside of bankruptcy. Ducera has represented debtors, creditors, and other constituents in some of the largest restructuring cases in the United States, including: (a) *In re Diebold Holding Co., LLC*, Case No. 23-90602 (DRJ) (Bankr. S.D. Tex. July 18, 2023) [Docket No. 266]; (b) *In re Virgin Orbit Holdings, Inc.*, Case No. 23-10405 (KBO) (Bankr. D. Del. May 15, 2023) [Docket No. 261]; (c) *In re Altera Infrastructure L.P.*, Case No. 22-90130 (MI) (d) *In re GBG USA Inc.*, Case No. 21-11369 (MEW) (Bankr. S.D.N.Y. Sept. 22, 2021) [Docket No. 230]; (e) *In re Superior Energy Servs., Inc.*, Case No. 20-35812 (DRJ) (Bankr. S.D. Tex. Feb. 2, 2021) [Docket No. 316]; (f) *In re Hornbeck Offshore Services, Inc.*, Case No. 20-32679 (DRJ); (g) *In re iHeartMedia, Inc.*, Case No. 18-31274 (MI); (h) *In re Toys “R” Us, Inc.*, Case No. 17-34665 (KLP) (Bankr. E.D. Va. Jan. 26, 2018).

5. I have nearly twenty years of restructuring-related investment banking experience and have worked on a broad range of restructuring advisory assignments across a variety of industry sectors. Since joining Ducera in 2015, I have provided investment banking expertise and financing advice, including with respect to marketing for and obtaining postpetition debtor-in-possession financing, to financially distressed companies as well as lenders and strategic investors in distressed and special situations engagements. Prior to joining Ducera, I worked as a Director at Perella Weinberg Partners for over six years, advising companies and other stakeholders on special situation restructuring engagements, prior to which I worked as an associate at Goldman Sachs for over four years. I earned a Bachelor of Science in Economics from the Massachusetts Institute of Technology in 2004.

6. I have worked closely with the Debtors’ management and other professionals retained by the Debtors with respect to preparing for these chapter 11 cases and have become

well acquainted with the Debtors' capital structure, liquidity needs, business operations, and Assets (including the Real Property Assets and the Rolling Stock Assets). Except as otherwise indicated, all facts set forth in this Declaration are based upon my personal knowledge, my discussions with other members of the Ducera team, the Debtors' management team, and the Debtors' other advisors, my review of relevant documents and information concerning the Debtors' operations, financial affairs, and restructuring initiatives, or my opinions based upon my experience and knowledge. If called as a witness, I could and would testify competently to the facts set forth in this Declaration on that basis. I am authorized to submit this Declaration on behalf of the Debtors. I am not being specifically compensated for this testimony other than through payments received by Ducera as a professional proposed to be retained by the Debtors, subject to approval by this Court. I am over the age of 18 years and authorized to submit this Declaration on behalf of the Debtors.

The Debtors' Sale Process

7. The Debtors retained Ducera in February 2023 to serve as their investment banker and financial advisor in connection with the Debtors' efforts to consider alternatives to address liquidity needs. During the engagement, Ducera has rendered investment banking services to the Debtors in connection with the evaluation of various strategic and financial alternatives and has worked closely with the Debtors' management team to develop and implement a robust marketing process for the sale of the Debtors' assets (the "Sale Process").

8. On July 31, 2023, Ducera launched the Sale Process, pursuant to which it has contacted over six hundred prospective purchasers of the Assets and provided such parties with marketing materials. In response to Ducera's outreach, more than three hundred and fifty interested parties have executed confidentiality agreements and have been provided access to a virtual dataroom for the purpose of conducting further due diligence on the Assets. The process

generated more than one hundred twenty indications of interest. Of the total parties contacted, approximately 300 were contacted specifically based on their potential interest in the Rolling Stock Assets (among other assets) and of these parties, over 150 have executed confidentiality agreements and were provided dataroom access.

9. Based on information gathered through this process, including indications of interest received from potential purchasers of the Rolling Stock Assets, the Debtors, in consultation with myself and their other advisors, determined that retention of a liquidator would provide the best path for the Debtors to maximize the value of the Rolling Stock Assets while addressing other logistical constraints such as removing the Rolling Stock Assets from the Debtors' properties. I and other members of my team, in consultation with the Debtors' management, negotiated with potential liquidators of the Rolling Stock Assets to achieve the best terms possible under the circumstances. This process included engagement with six potential liquidators who provided proposals with respect to their proposed strategy and pricing to monetize the Rolling Stock Assets on behalf of the Debtors. The Debtors ultimately selected Nations Capital, LLC, Ritchie Bros. Auctioneers (America) Inc., IronPlanet, Inc., Ritchie Bros. (Canada) Ltd., and IronPlanet Canada Ltd. (collectively, the "Agent") to act as the Debtors' exclusive marketer, broker, and auctioneer of the Rolling Stock Assets, based upon, among other reasons, and as further described below, the Agent's market access, selling platform, ability to remove and transport the Rolling Stock Assets from the Debtors' facilities and house the Rolling Stock Assets on their facilities, and experience with section 363 sales and bankruptcy proceedings.

The Agency Agreement

10. On October 16, 2023, the Debtors and the Agent entered into an agreement (the “Agency Agreement”) providing that the Agent will serve as the Debtors’ exclusive marketer, broker, and auctioneer of the Rolling Stock Assets, as well as provide certain other critical and related services such as refurbishment of the Rolling Stock Assets, removal of the Rolling Stock Assets from Company Properties by the Removal Date (*i.e.*, six (6) months following the Court’s entry of the Order), and transportation to and storage of the Rolling Stock Assets at Agent Properties.

11. Pursuant to the Agency Agreement, the Agent will ready the Debtors’ Rolling Stock Assets for sale and disposition through private treaty, online, webcast, or unreserved public auctions to maximize the value of the Rolling Stock Assets. These marketing and sale strategies will be consented to by the Debtors and in consultation with the Consultation Parties (as defined in the Bidding Procedures Order). To the extent any Rolling Stock Assets require refurbishments in advance of the Agent’s marketing and sale efforts, in each case only if appropriate to enhance expected sale values, the Agent will arrange for and conduct these refurbishments.

12. As described in the First Day Declaration, the Debtors have terminated nearly all of their prepetition workforce. The Debtors lack the personnel and other resources to conduct these refurbishments as they continue a wholesale winddown of operations in these chapter 11 cases. Accordingly, the Debtors lack the ability and the resources to remove all of the Rolling Stock Assets from the Company Properties by the Removal Date. Clearing the Rolling Stock Assets from the Company Properties as soon as commercially practicable is essential to minimizing rent expenses to future purchaser(s) of the Real Property Assets and to maximize the

value of the Real Property Assets pursuant to the ongoing Sale Process under the Bidding Procedures Order. Critically, the Agency Agreement provides for free storage of the Rolling Stock Assets on the Agent Properties, allowing the Rolling Stock Assets to be monetized over a value-maximizing time period while minimizing occupancy costs that would be incurred if the Rolling Stock Assets were to remain on the Company Properties.

13. Additionally, the Agent is an industry-leading marketer, auctioneer, and broker of assets of this type with vast industry connections and experience. To best maximize the value of the Rolling Stock Assets and the estates, it is, in my opinion, in the Debtors' best interest to retain the Agent so that the Debtors and their estates can directly benefit from the Agent's expertise, experience, and market access. The Debtors, the Debtors' advisors (including Ducera), and the Consultation Parties will continue to consult with the Agent in connection with the sale of the Rolling Stock Assets as set forth in the Agency Agreement and the Bidding Procedures Order.

14. Based on my experience as a restructuring professional, the Debtors' limited resources to execute upon the critical tasks contemplated by the Agency Agreement, the Agent's industry-leading qualifications to serve this role, the lack of available alternatives to the Agent to remove the Rolling Stock Assets from the Company Properties on the timeline contemplated by the Agency Agreement, and the fact that, in my professional opinion, the terms and provisions of the Agency Agreement are commercially reasonable, fair, and justified under the circumstances, I believe that the Debtors' entry into the Agency Agreement represents an exercise of sound business judgment by the Debtors and should be approved by the Court.

15. The Agency Agreement was heavily negotiated between the Debtors and the Agent at arm's-length and in good faith over the course of multiple weeks. The key terms and

provisions of the Agency Agreement are set forth in the Motion. In my professional opinion, each of the terms and provisions of the Agency Agreement, including its economic components (*i.e.*, the sale commission and expense reimbursement structure) are fair and commercially reasonable.

16. Based on my professional experience and knowledge of these chapter 11 cases, I believe that the Debtors' entry into the Agency Agreement constitutes a sound and reasonable exercise of the Debtors' business judgment, consistent with their fiduciary duties and, that the Agency Agreement will provide a greater recovery for the Debtors' estates on account of the Rolling Stock Assets than any other available alternative.

Conclusion

17. For the foregoing reasons, I believe that the Debtors' entry into the Agency Agreement is in the best interests of the Debtors, their estates, their stakeholders, and other parties in interest and is necessary and appropriate to maximize the value of the Debtors' estates. Thus, I believe the Court should enter the Order on the requested shortened notice.

I declare under penalty of perjury that the foregoing is true and correct, to the best of my information, knowledge and belief.

**AFFIDAVIT OF MATTHEW A. DOHENY
(Sworn September 22, 2023)**

I, Matthew A. Doheny, of the Village of Alexandria Bay, in the State of New York,
United States of America, **MAKE OATH AND SAY:**

I. INTRODUCTION AND OVERVIEW

1. I am the Chief Restructuring Officer of Yellow Corporation (the “**Yellow Parent**”). I was appointed as the Chief Restructuring Officer by the Board of Directors of the Yellow Parent (the “**Board**”) on July 19, 2023. As Chief Restructuring Officer, I am familiar with the day-to-day operations, business and financial affairs, and books and records of YRC Freight Canada Company (“**YRC Freight Canada**”), YRC Logistics Inc. (“**YRC Logistics**”), USF Holland International Sales Corporation (“**USF**”) and 1105481 Ontario Inc. (“**1105481**”, and collectively with YRC Freight Canada, YRC Logistics and USF, the “**Canadian Debtors**”), and the other Debtors (as defined below). Prior to becoming the Chief Restructuring Officer, I was a member of the Board

beginning in 2011 and served as Chairman of the Board from 2019 until July 31, 2023, when I resigned from the Board. As such, I have knowledge of the matters deposed to herein, save where I have obtained information from others or public sources. Where I have obtained information from others or public sources I have stated the source of that information and believe it to be true. The Debtors do not waive or intend to waive any applicable privilege by any statement herein.

2. On August 6, 2023 (the “**Petition Date**”), the Yellow Parent and certain of its affiliates, including the Canadian Debtors (collectively, the “**Debtors**”), commenced cases (the “**Chapter 11 Cases**”) in the United States Bankruptcy Court for the District of Delaware (the “**U.S. Bankruptcy Court**”) by filing voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “**U.S. Bankruptcy Code**”).

3. On August 8, 2023, the Yellow Parent, in its capacity as the proposed foreign representative in respect of the Chapter 11 Cases, brought an application before the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) pursuant to Part IV of the *Companies’ Creditors Arrangement Act*, R.S.C., 1985, c. C-36, as amended (the “**CCAA**”) and Section 106 of the *Courts of Justice Act*, RSO 1990, c C.43, and obtained an interim stay order, among other things, granting a stay of proceedings in respect of the Canadian Debtors and the Yellow Parent, and their respective directors and officers, in Canada.

4. Following a hearing on August 9, 2023, in respect of the first day motions filed by the Debtors in the U.S. Bankruptcy Court (the “**First Day Hearing**”), the U.S. Bankruptcy Court granted certain first day orders (“**First Day Orders**”), including an order appointing the Yellow Parent as the foreign representative in respect of the Chapter 11 Cases (the “**Foreign Representative**”).

5. On August, 18, 2023, the U.S. Bankruptcy Court granted an Order approving a DIP financing term sheet (the “**DIP Term Sheet**”) entered into by, among others, each of the Debtors, MFN Partners, L.P. (in such capacity, the “**Junior DIP Lender**”), and Citadel Credit Master LLC (in such capacity, the “**Postpetition B-2 Lender**”), and the financing contemplated thereby (the “**DIP Financing**”), on an interim basis (the “**Interim DIP Order**”). The motion in respect of the Interim DIP Order (the “**DIP Motion**”) had been initially scheduled to be heard at the First Day Hearing on August 9, 2023, however, in advance of the First Day Hearing, the Debtors received two unsolicited proposals for alternative DIP financing (in addition to the DIP financing the Debtors had negotiated in connection with the commencement of the Chapter 11 Cases), and the Debtors determined to adjourn the hearing of the DIP Motion to allow additional time to explore such alternative DIP financing proposals. The Debtors worked diligently in the period that followed the First Day Hearing to advance and negotiate improved DIP financing terms, and ultimately entered into the DIP Term Sheet providing for the DIP Financing of up to \$212.5 million (as described further below).

6. In addition, in the period following the First Day Hearing, the U.S. Bankruptcy Court also entered certain additional First Day Orders and certain second interim orders, as further discussed in the Supplemental Affidavit (as defined below).

7. On August 29, 2023, the Yellow Parent, as the Foreign Representative, returned to this Court for recognition of the Chapter 11 Cases under Part IV of the CCAA and obtained:

- (a) an Initial Recognition Order (Foreign Main Proceeding) (the “**Initial Recognition Order**”), among other things, recognizing the Chapter 11 Cases as a “foreign main proceeding” pursuant to section 45 of the CCAA; and

- 4 -

(b) a Supplemental Order (Foreign Main Proceeding) (the “**First Supplemental Order**”), among other things, (i) ordering a stay of proceedings in respect of the Canadian Debtors and the Yellow Parent, and their respective directors and officers, in Canada, (ii) appointing Alvarez & Marsal Canada Inc. as information officer (in such capacity, the “**Information Officer**”), (iii) recognizing certain of the First Day Orders and second interim orders issued by the U.S. Bankruptcy Court, and (iv) granting the Administration Charge, the D&O Charge and the DIP Charge (all as defined in and further described in the Supplemental Affidavit).

8. Copies of the Initial Recognition Order and the First Supplemental Order (without schedules) are attached hereto as Exhibits “A” and “B”, respectively.

9. The Debtors have now also sought and obtained from the U.S. Bankruptcy Court final versions of the various interim orders that had been granted by the U.S. Bankruptcy Court at or following the First Day Hearing, as well as certain additional orders discussed further below. This affidavit is filed in support of a motion made by the Foreign Representative for an Order (the “**Second Supplemental Order**”) recognizing and enforcing in Canada certain of such orders (collectively, the “**U.S. Orders**”), as discussed further below.

10. Capitalized terms used and not otherwise defined herein have the meanings given to them in my initial affidavit sworn August 7, 2023 (the “**Initial Affidavit**”) or my supplemental affidavit sworn August 24, 2023 (the “**Supplemental Affidavit**”), copies of which (without exhibits) are attached hereto as Exhibits “C” and “D”, respectively. Unless otherwise indicated, dollar amounts referenced in this affidavit are references to United States Dollars.

II. STATUS OF THE CHAPTER 11 CASES

11. Since the U.S. Bankruptcy Court granted the Interim DIP Order, the Debtors have, among other things, worked to finalize the definitive documentation contemplated by the DIP Term Sheet. To that end, the Yellow Parent and the Debtors that are guarantors pursuant to the DIP Financing (including the Canadian Debtors) entered into the following agreements on September 6, 2023:

- (a) Junior Secured Super-Priority Debtor-in-Possession Credit Agreement by and among the Yellow Parent, as borrower, the guarantors party thereto (including the Canadian Debtors), Alter Domus Products Corp. (“**Alter Domus**”), as administrative agent and collateral agent, and the Junior DIP Lender (the “**Junior DIP Credit Agreement**”); and
- (b) Amendment No. 4 to the B-2 Term Loan Agreement by and among the Yellow Parent, as borrower, the guarantors party thereto (including the Canadian Debtors), Alter Domus, as administrative agent and collateral agent, and the Postpetition B-2 Lender (the “**B-2 Amendment**” and the B-2 Term Loan Agreement, as amended by the B-2 Amendment, the “**Postpetition B-2 Credit Agreement**”, and together with the Junior DIP Credit Agreement, the “**DIP Agreements**”).

12. Pursuant to the Interim DIP Order and the DIP Term Sheet, following the entry of the Interim DIP Order, funding of approximately \$17.9 million under the Junior DIP Facility and approximately \$42.1 million under the Postpetition B-2 Facility (collectively, the “**First Draw**”) was advanced to the Debtors during the week ending August 25, 2023, and the second draw of approximately \$11.2 million under the Junior DIP Facility and approximately \$26.3 million under

the Postpetition B-2 Facility (collectively, the “**Second Draw**”) was advanced to the Debtors during the week ending September 8, 2023.

13. In addition, as contemplated by the DIP Term Sheet, the Debtors also worked to finalize the Bidding Procedures (as defined below) pursuant to which the Debtors will seek bids for the sale or sales of substantially all of their assets, which Bidding Procedures were approved by the U.S. Bankruptcy Court pursuant to the Bidding Procedures Order (as defined and further discussed below).

14. The Debtors have also worked to finalize a stalking horse bid in respect of their owned real property assets. As discussed further below, the Debtors, with the assistance of their advisors, continued negotiations with both Old Dominion Freight Line, Inc. (“**Old Dominion**”) and Estes Express Lines (“**Estes**”), as well as another third-party, regarding potential stalking horse bids for all of the Debtors’ Owned Real Properties (as defined below). The Debtors, with the assistance of their advisors, ultimately selected Estes’ proposal (the “**Real Estate Stalking Horse Bid**” and Estes as the “**Real Estate Stalking Horse Bidder**”) and worked diligently with Estes and its advisors to negotiate and finalize a definitive asset purchase agreement (the “**Real Estate Stalking Horse APA**”), which was entered into on September 12, 2023. As discussed further below, the U.S. Bankruptcy Court approved Estes as the Real Estate Stalking Horse Bidder pursuant to the Real Estate Stalking Horse Order (as defined below) on September 21, 2023.

15. A meeting of the Debtors’ creditors was held on September 14, 2023, in accordance with section 341 of the U.S. Bankruptcy Code.

16. A hearing of the U.S. Bankruptcy Court was held on September 15, 2023 before the Honourable Judge Goldblatt (the “**Final First Day Hearing**”) at which the Debtors sought (i) final versions of the various interim orders that had been granted by the U.S. Bankruptcy Court at or following the First Day Hearing, and (ii) certain additional orders (discussed further below). All of the orders sought were ultimately filed under certification of counsel in advance of the Final First Day Hearing, and all requested orders were granted by the U.S. Bankruptcy Court either in advance of the hearing or during the hearing. The U.S. Orders for which the Foreign Representative seeks recognition in Canada pursuant to the Second Supplemental Order are described in further detail in Section IV of this affidavit.

17. The Debtors and their advisors are continuing to advance steps relating to the wind-down of their business operations and their overall sale efforts to maximize value for stakeholders.

III. UPDATE ON THE CANADIAN DEBTORS

A. Update on Recognition Proceedings

18. Since this Court granted the Initial Recognition Order and the First Supplemental Order, the Foreign Representative, with the assistance of the Information Officer, caused a notice of these proceedings to be published in *The Globe and Mail* (National Edition) in accordance with the Initial Recognition Order on September 1 and September 8, 2023.

19. In addition, the Information Officer has established a website for these recognition proceedings (<https://www.alvarezandmarsal.com/YRCFreightCanada>) to post court documents filed in these recognition proceedings and certain other key relevant information. The Information Officer’s case website also includes, among other things, information on hearing dates in the

Chapter 11 Cases, as well as information regarding the Bar Date Order (as defined below) and links to the Bar Date Order, the Bar Date Notice (as defined below) and the proof of claim form. The Information Officer's website also indicates that further information regarding the Chapter 11 Cases is available at the website maintained by Epiq Bankruptcy Solutions LLC ("**Epiq**") as the Debtors' claims and noticing agent (<https://dm.epiq11.com/case/yellowcorporation/info>).

B. Wind-Down of the Canadian Business

20. Since the granting of the Initial Recognition Order and the First Supplemental Order, the Canadian Debtors, with the assistance of their advisors, have continued to work in good faith and with due diligence to advance an orderly wind-down of their business operations.

21. Among other things, YRC Freight Canada has been working towards exiting its 13 leased locations and to wind-down operations at its three owned locations. To date, three of YRC Freight Canada's leased locations have been exited as part of the Canadian Debtors' wind-down efforts. (In addition, one of the U.S. Debtors, YRC Inc., has exited one of its leased locations located in Ontario.) Each of the leases for these locations have been rejected pursuant to the Omnibus Rejection Order (as defined and discussed further below).

22. The Debtors are also working to clear any remaining shipments in Canada, and such efforts remain ongoing.

C. Canadian Employee Matters

23. As discussed in the Initial Affidavit and the Supplemental Affidavit, all of YRC Freight Canada's unionized employees were placed on lay-off prior to the Petition Date and all but

approximately 65 non-unionized employees were terminated. The approximately 65 non-unionized employees remained in order to assist with wind-down matters.

24. Since the Petition Date, approximately 45 of the remaining non-unionized Canadian employees have been terminated or have received notice of termination. At this time, approximately 20 employees continue to be employed to assist with further remaining wind-down efforts of the Canadian Debtors.

25. As discussed in the Supplemental Affidavit, the Interim DIP Order contained a restriction on the Debtors making payments in respect of accrued paid time off obligations on account of employees terminated prior to the Petition Date until all DIP Obligations, Prepetition Secured Obligations, Adequate Protection Obligations, and claims, obligations and liens granted to the DIP Secured Parties, the Prepetition Secured Parties, and the Prepetition UST Secured Parties under the Interim DIP Order and the Interim UST Cash Collateral Order (inclusive of the UST Adequate Protection Obligations and the Prepetition UST Secured Obligations) (collectively, the “**Pre and Post Petition Secured Debt Obligations**”), have been indefeasibly paid in full in cash. With respect to the Canadian Debtors, the aggregate accrued vacation pay obligations on account of employees terminated or laid off prior to the Petition Date totaled approximately \$2.45 million as of July 24, 2023. As discussed further below, this restriction is also incorporated into the Final DIP Order and the Final Wages Order (each as defined below).

26. I am advised by Robert J. Chadwick of Goodmans LLP, Canadian counsel to the Debtors, that counsel to certain Canadian union locals (collectively, “**Union Counsel**”) expressed concerns at the hearing for the Initial Recognition Order and First Supplemental Order with respect to the foregoing requirement of the Interim DIP Order. I understand that Goodmans LLP, along with the

Information Officer and its counsel, have engaged in discussions with Union Counsel to work to resolve such concerns.

IV. RECOGNITION OF U.S. ORDERS

A. Recognition of Final Versions of Interim Orders Recognized by the First Supplemental Order

27. Pursuant to the proposed Second Supplemental Order, the Foreign Representative seeks recognition by this Court of the following U.S. Orders that have been entered by the U.S. Bankruptcy Court, each of which are final versions of interim orders granted by the U.S. Bankruptcy Court and recognized by this Court pursuant to the First Supplemental Order:

- (a) *Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Financing, (B) Use Cash Collateral, and (C) Grant Liens and Superpriority Administrative Expense Claims, (II) Granting Adequate Protection to Certain Prepetition Secured Parties, (III) Modifying the Automatic Stay, and (IV) Granting Related Relief (the “Final DIP Order”);*
- (b) *Final UST Cash Collateral and Adequate Protection Order (I) Authorizing the Debtors to Use UST Cash Collateral and All Other Prepetition UST Collateral, (II) Granting Adequate Protection, (III) Modifying the Automatic Stay, and (IV) Granting Related Relief (the “Final UST Cash Collateral Order”);*
- (c) *Final Order (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management Systems, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Perform Intercompany Transactions and (II) Granting Related Relief (the “Final Cash Management Order”);*

- (i) *Final Order (I) Authorizing the Debtors to Consent to Limited Relief From the Automatic Stay to Permit Setoff of Certain Customer Claims Against the Debtors, and (II) Granting Related Relief (the “**Final Customer Collections Order**”);*
- (j) *Final Order (I) Authorizing the Debtors to (A) File a Consolidated List of Creditors in Lieu of Submitting a Separate Mailing Matrix for Each Debtor, (B) File a Consolidated List of the Debtors' Thirty Largest Unsecured Creditors, (C) Serve Certain Parties in Interest by Email, (D) Approve the Form and Manner of Service of the Notice of Commencement, and (E) Redact Certain Personally Identifiable Information of Natural Persons, (II) Waiving the Requirement to File a List of Equity Security Holders, and (III) Granting Related Relief (the “**Final Creditor Matrix Order**”); and*
- (k) *Final Order (I) Approving Notification and Hearing Procedures for Certain Transfers of Common Stock and (II) Granting Related Relief (the “**Final Equity Trading Procedures Order**”).*
- (i) *Final DIP Order*¹

28. The Final DIP Order, a copy of which is attached as Exhibit “E” hereto, approving the DIP Facilities (as defined below) on a final basis was granted by the U.S. Bankruptcy Court on September 15, 2023.

¹ Capitalized terms used in this section and not otherwise defined have the meanings given to them in the Final DIP Order.

- 12 -

29. As described in the Initial Affidavit and the Supplemental Affidavit, the Debtors require the DIP Financing to preserve the value of their assets, execute a comprehensive and efficient sale process, wind-down their affairs, and pay remaining employees for their work during this period.

30. A detailed summary of the DIP Financing is set out at paragraph 54 of the Supplemental Affidavit. As described in the Supplemental Affidavit, the DIP Financing consists of the following:

- (a) a junior secured, superpriority debtor-in-possession multi-draw term loan facility (the “**Junior DIP Facility**”) consisting of new money term loans in an aggregate commitment amount of \$42.5 million;
- (b) a senior secured, superpriority debtor-in-possession multi-draw term loan facility (the “**Postpetition B-2 Facility**”) in an aggregate commitment amount of \$100 million; and
- (c) additional financing of up to \$70 million to be made available by the Junior DIP Lender, at the Debtors’ request following the final draws under the Junior DIP Facility and the Postpetition B-2 Facility, which additional financing would be provided junior to all of the Debtors’ existing prepetition secured debt (the “**Additional Junior DIP Facility**”, and collectively with the Junior DIP Facility and the Postpetition B-2 Facility, the “**DIP Facilities**”).

31. The terms of the DIP Facilities are further described in the Junior DIP Credit Agreement and the Postpetition B-2 Credit Agreement, each of which are attached as exhibits to the Final DIP Order. In addition, attached as Schedule 2 to the Final DIP Order is a summary setting out for

reference the various liens on the Debtors' various categories of collateral securing the DIP Financing and the Debtors' prepetition secured debt obligations and their respective priorities.

32. The Postpetition B-2 Facility and the Junior DIP Facility are available in three tranches, in each case allocated ratably between the Junior DIP Facility and the Postpetition B-2 Facility. As noted above, the First Draw of \$60 million in the aggregate and the Second Draw of \$37.5 million in the aggregate were advanced to the Debtors during the weeks ending August 25 and September 8, 2023, respectively. Pursuant to the terms of the DIP Agreements, the third draw of approximately \$45 million in the aggregate (the "**Third Draw**") is available to the Debtors following the U.S. Bankruptcy Court's granting of the Final DIP Order, and the Additional Junior DIP Facility is available to the Debtors following the Third Draw, in each case subject to the terms and conditions of the DIP Agreements.

33. I understand that the Final DIP Order includes substantially the same material terms as the Interim DIP Order. Among other things, as noted above, the Final DIP Order contains the same provision contained in the Interim DIP Order that the Debtors are not permitted to make payments in respect of accrued paid time off obligations on account of employees terminated prior to the Petition Date until all Pre and Post Petition Secured Debt Obligations have been indefeasibly paid in full in cash.

34. Each of the Junior DIP Credit Agreement and the Postpetition B-2 Credit Agreement require the Foreign Representative to obtain recognition of the Final DIP Order by this Court within 15 days of the Final DIP Order being entered by the U.S. Bankruptcy Court.

35. Recognition of the Final DIP Order in Canada will enable the Debtors to finance the Chapter 11 Cases and these recognition proceedings, and the Debtors' overall efforts to wind-down their business operations and pursue the sale process contemplated by the Bidding Procedures (discussed further below). The failure to obtain recognition in Canada of the Final DIP Order would constitute an event of default under the DIP Agreements that would negatively impact the Debtors' ability to advance wind-down and sale efforts, thereby harming the value of the Debtors' estates to the detriment of all stakeholders. Accordingly, this Court's recognition of the Final DIP Order is required to facilitate the Debtors' wind-down and sale efforts.

(ii) Final Wages Order²

36. On September 8, 2023, the U.S. Bankruptcy Court entered the Third Interim Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue Employee Benefits Programs, and (II) Granting Related Relief (the "**Third Interim Wages Order**"). I understand that the Third Interim Wages Order includes substantially the same material terms as the Second Interim Wages Order (which was described in the Supplemental Affidavit at paragraphs 70 to 77), provided that certain amendments were made to provide that the Debtors are authorized to (a) pay or remit certain amounts on account of U.S. Severance Programs and Canadian Termination Obligations with respect to non-insider Employees terminated after the Petition Date, (b) pay certain amounts on account of earned but unused PTO accrued prior to and after the Petition Date with respect to non-insider Employees terminated after the Petition Date, and (c) remit certain amounts on account of the Withholding

² Capitalized terms used in this section and not otherwise defined have the meanings given to them in the Wages Motion.

and Deduction Obligations for prepetition amounts withheld from Employees and Former Employees wages related to the cancelled employee stock purchase plan.

37. On September 13, 2023, the U.S. Bankruptcy Court entered the Final Wages Order, a copy which is attached as Exhibit “F” hereto.

38. I understand that the Final Wages Order includes substantially the same material terms as the Second Interim Wages Order, except that:

- (a) the limit of the Interim Wages Amount of \$24,510,000 no longer applies to the authorization for the Debtors to pay and honour prepetition amounts outstanding under or related to the Compensation and Benefit Programs in the ordinary course, and
- (b) consistent with the Final DIP Order, the Final Wages Order provides that the Debtors are not authorized thereunder to make any cash-out payments to Former Employees or named executive officers on account of PTO, provided that upon the payment in full of the Debtors’ secured debt obligations, nothing in the Final Wages Order shall prejudice the Debtors’ ability to seek approval for authority to make any cash-out payments to Former Employees and/or named executive officers on account of earned but unused PTO by separate motion at a later time.

(iii) Other First Day Final Orders

39. Copies of the (i) Final UST Cash Collateral Order, (ii) Final Cash Management Order, (iii) Final Critical Vendors Order, (iv) Final Utilities Order, (v) Final Insurance and Surety Bond

Order, (vi) Final Taxes Order, (vii) Final Customer Collections Order, (viii) Final Creditor Matrix Order, and (ix) Final Equity Trading Procedures Order are attached as Exhibits “G” to “O” hereto.

40. These final orders were entered by the U.S. Bankruptcy Court over the course of September 13-15, 2023. The corresponding interim orders are summarized in the Supplemental Affidavit at paragraphs 62 to 70 and 78 to 96. I understand that each of these final orders is substantially similar to the corresponding interim orders recognized by this Court pursuant to the First Supplemental Order.

B. Recognition of Additional U.S. Orders

41. Pursuant to the proposed Second Supplemental Order, the Foreign Representative also seeks recognition by this Court of the following U.S. Orders, each of which is described in more detail below:

- (a) *Order (I) Setting Bar Dates for Filing Proofs of Claim, Including Requests for Payment Under Section 503(B)(9), (II) Establishing Amended Schedules Bar Date and Rejection Damages Bar Date, (III) Approving the Form of and Manner for Filing Proofs of Claim, Including Section 503(B)(9) Requests, and (IV) Approving Form and Manner of Notice Thereof* (the “**Bar Date Order**”);
- (b) *Order (I) Authorizing (A) Rejection of Certain Executory Contracts and Unexpired Leases Effective as of Dates Specified Herein and (B) Abandonment of Certain Personal Property, if any, and (II) Granting Related Relief* (the “**Omnibus Rejection Order**”);
- (c) *Order (I) Authorizing and Approving Procedures to Reject Executory Contracts and Unexpired Leases and (II) Granting Related Relief* (the “**Rejection Procedures Order**”); and
- (d) *Order (I) Authorizing and Approving Procedures For (A) The Use, Sale, Transfer, or Abandonment of De Minimis Assets Free and Clear of Liens, Claims, Interests, and Encumbrances Without Further Order of Court, and (B) The Acquisition of De Minimis Assets; (II) Authorizing Payment of Related Fees and Expenses; and (III) Granting Related Relief* (the “**De Minimis Assets Order**”);

- (e) *Order (I)(A) Approving Bidding Procedures for the Sale or Sales of the Debtors' Assets; (B) Scheduling Auctions and Approving the Form and Manner of Notice Thereof; (C) Approving Assumption and Assignment Procedures, (D) Scheduling Sale Hearings and Approving the Form and Manner of Notice Thereof; (II)(A) Approving the Sale of the Debtors' Assets Free and Clear of Liens, Claims, Interests and Encumbrances and (B) Approving the Assumption and Assignment of Executory Contracts and Unexpired Leases; and (III) Granting Related Relief (the "Bidding Procedures Order"); and*
- (f) *Order (I) Approving the Debtors' Selection of a Real Estate Stalking Horse Bidder, (II) Approving Bid Protections in Connection Therewith, and (III) Granting Related Relief (the "Real Estate Stalking Horse Order").*
- (i) The Bar Date Order³

42. The U.S. Bankruptcy Court entered the Bar Date Order on September 13, 2023. A copy of the Bar Date Order is attached as Exhibit "P" hereto.

43. The Bar Date Order, among other things:

- (a) establishes the following bar dates (the "**Bar Dates**"):
 - (i) November 13, 2023 at 11:59 p.m. (prevailing Eastern Time) as the General Bar Date. The General Bar Date is the date and time by which all entities, other than governmental units holding prepetition claims, must file proofs of claim based on prepetition claims;
 - (ii) February 5, 2024 at 11:59 p.m. (prevailing Eastern Time) as the Governmental Bar Date. The Governmental Bar Date applies to all governmental units holding claims against the Debtors (whether secured, unsecured priority, or unsecured non-priority) that arose before the Petition

³ Capitalized terms used in this section and not otherwise defined have the meanings given to them in the Bar Date Order.

- 18 -

Date, including governmental units with claims against the Debtors for unpaid taxes, whether such claims arise from prepetition tax years or periods, or prepetition transactions to which the Debtors were a party;

- (iii) for creditors affected by the Debtors amending or supplementing the Schedules to reduce the undisputed, noncontingent, and liquidated amount of a claim listed in the Schedules, to change the nature or classification of a claim against the Debtors reflected in the Schedules, or to add a new claim to the Schedules, the Amended Schedules Bar Date of the later of (i) the General Bar Date or the Governmental Bar Date, as applicable, and (ii) 11:59 p.m. (prevailing Eastern Time) on the date that is 21 days from the date on which the Debtors provide notice of an amendment; and
- (iv) for entities asserting claims arising from the rejection of executory contracts and unexpired leases of the Debtors, the Rejection Damages Bar Date of the later of (i) the General Bar Date, (ii) 11:59 p.m. (prevailing Eastern Time) on the date that is 30 days after the later of (A) entry of an order approving the rejection of any executory contract or unexpired lease of the Debtors or (B) the effective date of a rejection of any executory contract or unexpired lease of the Debtors pursuant to operation of any Court order;

(b) approves the proposed proof of claim form;

(c) approves proposed form and manner of bar date notice (the “**Bar Date Notice**”);
and

- (d) approves the proposed form and manner of publication notice (the “**Publication Notice**”).

44. The Bar Date Order provides for the following entities holding claims against the Debtors arising before the Petition Date as being required to file proofs of claim on or before the applicable Bar Date:

- (a) any entity whose claim against a Debtor is not listed in the applicable Debtor’s Schedules or is listed as contingent, unliquidated, or disputed;
- (b) any entity that believes that its claim is improperly classified in the Schedules or is listed in an incorrect amount and that desires to have its claim allowed in a classification or amount other than that identified in the Schedules;
- (c) any entity that believes that its prepetition claims as listed in the Schedules is not an obligation of the specific Debtor against which the claim is listed and that desires to have its claim allowed against a Debtor other than that identified in the Schedules; and
- (d) any entity that believes that its claim against a Debtor is or may be an administrative expense in connection with the delivery of goods in the 20 days before the Petition Date pursuant to the U.S. Bankruptcy Code.

45. The Bar Date Order provides that certain entities are exempted from the Bar Dates and need not file proofs of claim, including, among others: (a) any entity that already has filed a signed proof of claim against the respective Debtor(s) with the Clerk of the U.S. Bankruptcy Court or

- 20 -

with Epiq in a form substantially similar to Official Form 410; (b) any entity whose claim is listed on the Schedules if the claim is not scheduled as any of “disputed,” “contingent,” or “unliquidated,” such entity agrees with the amount, nature, and priority of the claim as set forth in the Schedules, and such entity does not dispute that its claim is an obligation only of the specific Debtor against which the claim is listed in the Schedules; (c) any entity whose claim has previously been allowed by order of the U.S. Bankruptcy Court; (d) any entity whose claim has been paid in full or is otherwise fully satisfied by the Debtors pursuant to the U.S. Bankruptcy Code or pursuant to an order of the U.S. Bankruptcy Court; (e) any Debtor having a claim against another Debtor; (f) any entity that holds an interest in any of the Debtors, which interest is based exclusively on the ownership of common stock, preferred stock, membership interests, partnership interests, or rights to purchase, sell, or subscribe to such an interest; (g) a current employee of the Debtors, if an order of this Court authorized the Debtors to honor such claim in the ordinary course of business as a wage, commission, or benefit; and (h) any person or entity that is exempt from filing a Proof of Claim pursuant to an order of the U.S. Bankruptcy Court in the Chapter 11 Cases.

46. Pursuant to the Bar Date Order, the Debtors shall (a) mail notice of the General Bar Date (or the Governmental Bar Date, as applicable) to their known creditors at the last known mailing address for each such creditor, (b) cause the Bar Date Notice and the Proof of Claim Form (the “**Bar Date Package**”) to be mailed via first class mail to certain specific creditors and stakeholders, and (c) cause the Publication Notice to be published on one occasion in *USA Today* and *Transport Topics*, on or before twenty-one days before the General Bar Date. The Debtors are also authorized to publish the Bar Date Notice at such times and in such local publications of general circulation in certain areas where the Debtors have conducted operations, as the Debtors shall determine in their sole discretion.

47. The Bar Date Order provides that any entity who is required, but fails, to file a proof of claim pursuant to the Bar Date Order on or before the applicable Bar Date shall be prohibited from voting to accept or reject any chapter 11 plan filed in the Chapter 11 Cases, participating in any distribution in the Chapter 11 Cases on account of such claim, or receiving further notices regarding such claim.

48. The Debtors and their counsel have coordinated with the Information Officer and its counsel to have the Bar Date Package posted on the website maintained by the Information Officer for these recognition proceedings.

(ii) Omnibus Rejection Order

49. On September 14, 2023, the U.S. Bankruptcy Court entered the Omnibus Rejection Order, a copy of which is attached as Exhibit “Q” hereto.

50. The Omnibus Rejection Order, among other things, authorizes the Debtors to (i) reject certain executory contracts set forth on a schedule thereto (the “**Rejected Contracts**”) effective as of a specific rejection date, (ii) reject certain unexpired leases (the “**Rejected Leases**”) effective as of the earlier of (x) August 31, 2023 or (y) the date the Debtors have surrendered the applicable premises (the “**Premises**”) to the landlord, and (iii) and abandon certain equipment, fixtures, furniture, or other personal property (“**Personal Property**”) that may be located at the Premises.

51. The Debtors have determined in their business judgment that the costs incurred under the Rejected Contracts and Rejected Leases constitute an unnecessary drain on the Debtors’ limited resources and/or more cost-efficient alternatives exist. Accordingly, the Debtors sought and obtained authorization pursuant to the Omnibus Rejection Order to reject the Rejected Contracts

(which primarily consist of, among others, IT license agreements, supply agreements, staffing services agreements, and other operational-related agreements that the Debtors have determined are no longer needed in connection with their postpetition wind-down and sale objectives) and the Rejected Leases (which consist of terminal leases, office space leases, and parking lot leases that the Debtors no longer require on a postpetition basis).

52. The Rejected Leases include three Canadian leases in respect of which YRC Freight Canada is the tenant, and one Canadian lease in respect of which one of the U.S. Debtors, YRC Inc., is a tenant. These four Canadian leases have been surrendered. In addition to the Debtors causing service of the Debtors' motion for the Omnibus Rejection Order on the applicable parties, the Debtors also separately contacted each applicable landlord of the foregoing leases to advise of the proposed rejection pursuant to the Omnibus Rejection Order.

53. To the extent that any Personal Property is located at the Premises, the Debtors have evaluated such remaining Personal Property to determine whether it is of inconsequential value or the cost of removing and storing the Personal Property for future use, marketing or sale exceeds its value to the Debtors' estates. Because the Debtors plan to shut down or have already shut down all operations at the Premises, the Personal Property, if any, will no longer be necessary for the administration of the Debtors' estates. Accordingly, to reduce postpetition administrative costs, the Debtors determined that the abandonment of Personal Property that may be located at each of the Premises, if any, is appropriate and in the best interests of the Debtors, their estates, and their creditors.

(iii) Rejection Procedures Order

54. On September 14, 2023, the U.S. Bankruptcy Court entered the Rejection Procedures Order, a copy of which is attached as Exhibit “R” hereto.

55. The Rejection Procedures Order, among other things, authorizes and approves procedures for rejecting executory contracts and unexpired leases, and also provides the Debtors with the authority to remove or abandon their Personal Property that may be located on, or may have been installed in, leased premises that are subject to a rejected contract on or before the effective date of any proposed rejection.

56. The Debtors are party to a substantial number of contracts. Although the Debtors are in the process of evaluating their contracts to determine whether such contracts will provide benefits to the Debtors on a go-forward basis, in light of the Debtors’ objective to wind-down their businesses and effectuate asset sales for their real property and rolling stock portfolios, the Debtors anticipate that they will reject a large number of executory contracts during the Chapter 11 Cases. Accordingly, the Debtors sought and obtained the Rejection Procedures Order in order to avoid having to file separate motions to reject contracts, which would result in substantial costs and administrative burdens on the Debtors’ estates.

57. The Rejection Procedures Order, among other things, authorize and approve the following procedures with respect to the rejection of contracts:

- (a) The Debtors shall file one or more notices, substantially in the form attached as Exhibit 1 to the Rejection Procedures Order (each, a “**Rejection Notice**”), to reject a contract or contracts, which Rejection Notice(s) shall set forth certain prescribed

- 24 -

information, including, among other things, the contract or contracts to be rejected, the Debtor or Debtors party to such contract, the names and addresses of the counterparties to such contract, the proposed effective date of the rejection, and if such contract is a lease related to real property and/or improvements on real property, the location and summary description of any personal property owned by the Debtors to be abandoned that is located on or within the real property and/or improvements (if any), and the location and summary description of any personal property that is owned by any non-Debtor third party and located on or within the real property and/or improvements (the “**Non-Debtor Personal Property**”);

- (b) The Debtors will cause each Rejection Notice to be served: (i) via email, if available, and by overnight delivery service upon (x) the contract counterparties affected by such Rejection Notice, and (y) any non-Debtor third party that owns Non-Debtor Personal Property located on or within the real property and/or improvements that are being rejected; and (ii) the Master Notice Parties (as defined in the Rejection Procedures Order);
- (c) Parties objecting to a proposed rejection must file and serve a written objection so that such objection is filed with the U.S. Bankruptcy Court on the docket of the Chapter 11 Cases and actually received by the Objection Service Parties (as defined in the Rejection Procedures Order) no later than 14 calendar days after the date the Debtors file and serve the relevant Rejection Notice; and
- (d) If no objection to the rejection of any contract is timely filed, each contract listed in the applicable Rejection Notice shall be rejected as of the rejection date set forth

in the Rejection Notice or such other date as the Debtors and the counterparty or counterparties to such contract(s) agree; provided that the effective date of a rejection of a non-residential real property lease shall not occur until the later of (i) the date the Debtors file and serve a Rejection Notice for such lease, (ii) the rejection date set forth in the Rejection Notice, and (iii) the date the Debtors relinquish control of the premises.

(iv) De Minimis Assets Order

58. On September 14, 2023, the U.S. Bankruptcy Court entered the De Minimis Assets Order, a copy of which is attached as Exhibit “S” hereto.

59. The De Minimis Assets Order authorizes the Debtors to, among other things, (a) use, sell, or transfer certain assets, collections of assets, or business lines, including any rights or interests therein (collectively, the “**De Minimis Assets**”) outside of the ordinary course of business in any individual transaction or series of related transactions to a single buyer or group of related buyers with an aggregate sale price equal to or less than \$5 million, free and clear of all liens, claims, interests, and encumbrances (collectively, the “**Liens**”), without the need for further court approval, and with Liens attaching to the proceeds of such use, sale, or transfer with the same validity, extent, and priority as had attached to the De Minimis Assets immediately prior to the use, sale, or transfer, and (b) abandon a De Minimis Asset to the extent the cost of continuing to maintain, relocate, and/or store such De Minimis Asset outweighs any potential recovery from a future sale.

60. The De Minimis Assets Order specifies that De Minimis Assets shall not include, without the prior approval of the UCC, the Junior DIP Lender, the B-2 Lenders, the Prepetition ABL Agent,

and the U.S. Treasury, any owned or leased real estate or any owned or leased Rolling Stock. However, the De Minimis Assets may include damaged or obsolete Rolling Stock that is to be sold as scrap and that Rolling Stock does not include accessories (including superstructures and racks), fork lifts, pallet jacks, dollies, or other such equipment.

61. The proposed Second Supplemental Order grants recognition of the De Minimis Assets Order and authorizes the Canadian Debtors to deal with their property in accordance with the De Minimis Assets Order notwithstanding paragraph 5 of the Initial Recognition Order, provided that a Canadian Debtor shall provide written notice to the Information Officer at least seven days' prior to taking any action with respect to its property pursuant to the De Minimis Assets Order.

(v) Bidding Procedures Order⁴

62. A copy of the Debtors' motion for approval of the Bidding Procedures Order, which was originally filed on August 7, 2023 (the "**Bidding Procedures Motion**"), is attached as Exhibit "T" hereto. In addition, a copy of the declaration sworn in support of the Bidding Procedures Motion by Cody Leung Kaldenberg (the "**Kaldenberg Bidding Procedures Declaration**"), a founding member of and partner at Ducera Partners LLC ("**Ducera**"), the Debtors' investment banker, is attached as Exhibit "U" hereto.

63. As described in the Kaldenberg Bidding Procedures Declaration, on July 21, 2023, prior to commencing the Chapter 11 Cases, the Debtors, with the assistance of Ducera, commenced a process to market the Debtors' assets, including the Debtors' Real Property Assets and Rolling

- 27 -

Stock (each as defined below), among other assets. As part of this process, Ducera contacted over 500 interested parties that were considered likely participants in a sale process of the Debtors' assets and provided such parties with the marketing materials.

64. In parallel with this marketing process, Ducera worked with the Debtors and their other advisors to develop the Bidding Procedures to maximize the value of the Debtors' estates in the Chapter 11 Cases. The Debtors filed revised versions of the Bidding Procedures Order on September 11 and 14, 2023. As stated in the Kaldenberg Bidding Procedures Declaration, the revised Bidding Procedures Order (and the revised Bidding Procedures attached thereto) were developed following several weeks of marketing the Debtors' assets and holding discussions with interested parties.

65. On September 15, 2023, in advance of the Final First Day Hearing, the Debtors filed a further revised form of the Bidding Procedures Order under certification of counsel, and the U.S. Bankruptcy Court entered the Bidding Procedures Order. A copy of the Bidding Procedures Order is attached as Exhibit "V" hereto.

66. The Bidding Procedures Order, among other things:

- (a) authorizes and approves the bidding procedures attached as Exhibit 1 to the Bidding Procedures Order (the "**Bidding Procedures**"), which set forth the process by which the Debtors are authorized to conduct a marketing and sale process for the sale or sales (each, a "**Sale**") of all or substantially all of the Debtors' assets, through one or more transactions (each, a "**Sale Transaction**"). The Bidding Procedures, which are described in further detail in the Kaldenberg Bidding Procedures

Declaration, are designed to permit a fair, efficient, competitive, and value-maximizing auction process for the Debtors' assets, and contemplate the Sale or Sales of the following assets of the Debtors:

- (i) any owned or leased vehicles, tractors, trucks, trailers, tank trailer and other trailers, or similar vehicles and trailers, railroad cars, locomotives, stacktrains and other rolling stock and accessories used on such railroad cars, locomotives or other rolling stock (including superstructures and racks) (collectively, the “**Rolling Stock**”);
 - (ii) any owned or leased real estate of the Debtors (the “**Real Property Assets**”);
 - (iii) any owned or licensed intellectual property, including any customer lists, trademarks, copyrights, domain names, or other similar intellectual property (the “**Intellectual Property**”); and
 - (iv) any inventory, spare parts, supplies, accounts receivable, or other assets not constituting Rolling Stock, Real Property Assets, or Intellectual Property (collectively, the “**Other Assets**” and together with the with the Real Property Assets and the Intellectual Property, the “**Non-Rolling Stock Assets**”);
- (b) authorizes the Debtors to select one or more Qualified Bidders to act as stalking horse bidders in connection with any Sale Transaction (each, a “**Stalking Horse Bidder**”) and enter into a purchase agreement with respect to any such Sale

Transaction with such Stalking Horse Bidder (each such agreement, a “**Stalking Horse Agreement**”);

- (c) in connection with any Stalking Horse Agreement, authorizes the Debtors to agree to the Bid Protections, provided that, among other things, the aggregate of the Breakup Fee and the total Expense Reimbursements shall in no event exceed three percent of the applicable cash Purchase Price;
- (d) approves the Auction Notice with respect to any Auction which may be held under the Bidding Procedures and orders that within three business days of entry of the Bidding Procedures Order or as soon as reasonably practicable thereafter, the Debtors shall, among other things, place a publication version of the Auction Notice for one day in *The Globe and Mail* and post it onto the Debtors’ restructuring webpage. The Debtors anticipate that the Auction Notice will be published in *The Globe and Mail* in the September 22, 2023 edition; and
- (e) authorizes the Assumption and Assignment Procedures by which the Debtors will notify any counterparties to executory contracts and unexpired leases with the Debtors (the “**Contracts**”) of proposed cure amounts in the event the Debtors determine to assume and assign such Contracts in connection with any Sale Transaction.

67. In the event that the Debtors select a Stalking Horse Bidder (or Stalking Horse Bidders), the Debtors shall file a supplement to the Bidding Procedures Motion seeking approval of same,

except that the Debtors are seeking approval of the Real Estate Stalking Horse Bidder and the Real Estate Stalking Horse APA pursuant to a separate motion and order (as discussed below).

68. Pursuant to the Bidding Procedures, no person or entity participating in the sale process under the Bidding Procedures will be entitled to any expense reimbursement, break-up fees, “topping” fees, termination fees, or other fees, payments, or reimbursements whatsoever, except for a Stalking Horse Bidder.

69. Pursuant to the Bidding Procedures, the Debtors are entitled to modify the Bidding Procedures in their reasonable business judgment in consultation with the (a) the Junior DIP Lender, (b) the B-2 Lenders, (c) the Prepetition ABL Agent, (d) the Prepetition UST Secured Parties, and (e) the UCC (the “**Consultation Parties**”) in any manner that will best promote the goals of the Bidding Procedures, or impose, at or prior to the Auction (if any), additional customary terms and conditions on a Sale Transaction.

70. The Bidding Procedures provide that the U.S. Bankruptcy Court will hold one or more hearings to consider approval of the Winning Bid(s) (and Back-Up Bid(s), as applicable) and the Sale Transaction(s) contemplated thereby (each, a “**Sale Hearing**”). The Sale Hearing for the Rolling Stock is to be held on October 31, 2023, and the Sale Hearing for all other Assets (including the Real Property Assets) is to be held on December 12, 2023. If the Winning Bid(s) (and Back-Up Bid(s), as applicable) and the Sale Transaction(s) contemplated thereby contemplate the Sale(s) of Canadian Assets, the Foreign Representative shall apply to the Canadian Court for a Canadian Sale Recognition Order as soon as practicable following the applicable Sale Hearing and entry of the applicable Sale Order. Such Canadian Sale Recognition Order shall be a condition to closing any Sale(s) of Canadian Assets.

- 31 -

71. On September 18, 2023, the Debtors filed a finalized version of the Bidding Procedures that includes all key dates and deadlines.

72. The Bidding Procedures provide for the following key dates and deadlines with respect to the sale of the Rolling Stock:

(vi) Real Estate Stalking Horse Order⁵

74. Since the Petition Date, the Debtors have negotiated with two primary parties (Old Dominion and Estes) regarding potential stalking horse bids for all of the Debtors' 174 owned real properties (the "**Owned Real Properties**"). The Debtors also had substantial engagement with a third party that expressed interest in providing a stalking horse bid, but such party was unable to deliver on the timelines that Estes and Old Dominion contemplated.

75. The Debtors ultimately received proposals from each of Old Dominion and Estes, and the Debtors, with assistance from their advisors, negotiated with both parties to advance terms. After extensive negotiations and due diligence efforts, the Debtors ultimately selected Estes' proposal and on September 12, 2023, entered into the Real Estate Stalking Horse APA with the Real Estate Stalking Horse Bidder (*i.e.*, Estes) whereby the Real Estate Stalking Horse Bidder has committed to purchase all of the Debtors' Owned Real Properties and certain related assets (as described further in the Real Estate Stalking Horse APA) for cash consideration of \$1.525 billion, subject to certain adjustments as set forth in the Real Estate Stalking Horse APA.

⁵ Capitalized terms used in this section and not otherwise defined have the meanings given to them in the Real Estate Stalking Horse Motion.

76. As contemplated by the Bidding Procedures Order, the Debtors are seeking U.S. Bankruptcy Court approval of the Real Estate Stalking Horse Bidder and the Real Estate Stalking Horse APA pursuant to a separate motion and order. On September 13, 2023, the Debtors filed:

- (a) a Motion for Entry of an Order (I) Approving the Debtors' Selection of a Real Estate Stalking Horse Bidder, (II) Approving Bid Protections in Connection Therewith, and (III) Granting Related Relief (the "**Real Estate Stalking Horse Motion**"), a copy of which is attached hereto as Exhibit "W". The Real Estate Stalking Horse Motion attaches a copy of the Real Estate Stalking Horse APA at Exhibit A thereto;
- (b) a declaration of Cody Leung Kaldenberg (the "**Kaldenberg Real Estate Stalking Horse Declaration**") sworn in support the Real Estate Stalking Horse Motion, a copy of which is attached hereto as Exhibit "X"; and
- (c) a Motion for Entry of an Order (I) Shortening the Notice and Objection Period for the Debtors' Real Estate Stalking Horse Motion and (II) Granting Related Relief, a copy of which is attached hereto as Exhibit "Y" (the "**Order Shortening Notice Period**").

77. On September 14, 2023, the U.S. Bankruptcy Court entered the Order Shortening Notice n Period, which, among other things, scheduled the hearing to consider the Real Estate Stalking Horse Motion for September 22, 2023.

78. On September 21, 2023, the Debtors filed the Real Estate Stalking Horse Order (attaching a revised form of Real Estate Stalking Horse APA) under certification of counsel, and the U.S.

- 34 -

Bankruptcy Court entered the Real Estate Stalking Horse Order. A copy of the Real Estate Stalking Horse Order is attached as Exhibit “Z” hereto. The Real Estate Stalking Horse Order attaches the revised Real Estate Stalking Horse APA at Exhibit A thereto.

79. A table setting out the key terms of the Real Estate Stalking Horse APA is included at paragraph 20 of the Kaldenberg Real Estate Stalking Horse Declaration. In summary, the Real Estate Stalking Horse Bidder has agreed, subject to the terms and conditions of the Real Estate Stalking Horse APA, to:

- (a) acquire the Acquired Assets, consisting of all of the Debtors’ Owned Real Properties and certain other Assets related to the Owned Real Properties, for cash consideration of \$1.525 billion, subject to certain adjustments as set forth in the Real Estate Stalking Horse APA (the “**Estes Purchase Price**”); and
- (b) assume the Assumed Liabilities, which include, subject to the terms and conditions of the Real Estate Stalking Horse APA, among other things:
 - (i) all Liabilities and obligations of any Seller under the Assigned Contracts that become due from and after the Closing;
 - (ii) all cure costs required to be paid pursuant to the U.S. Bankruptcy Code in connection with the assumption and assignment of the Assigned Contracts; and
 - (iii) all Transfer Taxes.

80. With respect to the Canadian Debtors, YRC Freight Canada is a “Seller” for the purposes of the Real Estate Stalking Horse APA and the Acquired Assets include YRC Freight Canada’s owned real property.

81. The consummation of the transactions contemplated by the Real Estate Stalking Horse APA are conditional on, among other things, the Court having entered the Canadian Sale Recognition Order (defined in the Real Estate Stalking Horse APA as “an Order of the Canadian Court pursuant to the CCAA, among other things, recognizing and giving effect in Canada to the Sale Order”) and such order becoming final and non-appealable and shall not have been stayed, reversed, or modified in a manner not acceptable to the parties.

82. The Real Estate Stalking Horse APA provides for certain bid protections in favour of the Real Estate Stalking Horse Bidder. In particular, the Debtors agreed to a \$7.5 million breakup fee (“**Estes Break-up Fee**”), and to reimburse up to \$1.6 million in reasonable and documented costs and out-of-pocket expenses (“**Estes Expense Reimbursement**”) incurred by the Real Estate Stalking Horse Bidder, payable upon certain termination events set forth in the Real Estate Stalking Horse APA. Together, the Estes Break-up Fee and the maximum Estes Expense Reimbursement equal approximately 0.6% of the Estes Purchase Price.

83. As stated in the Kaldenberg Real Estate Stalking Horse Declaration:

- (a) the proposed bid protections are a critical component of the Real Estate Stalking Horse Bidder’s commitment and necessary to induce the Real Estate Stalking Horse Bid;

- 36 -

- (b) if the proposed bid protections are not approved, there is significant risk that the Real Estate Stalking Horse Bidder will elect not to serve as the stalking horse bidder for the Owned Real Properties, to the detriment of the Debtors' estates;
- (c) the proposed bid protections are a reasonable cost in exchange for securing a \$1.525 billion commitment from the Real Estate Stalking Horse Bidder; and
- (d) the proposed bid protections will maximize the value of the Acquired Assets, and thus the Debtors' estates, and are a valid and sound exercise of the Debtors' business judgment.

V. CONCLUSION

84. I believe that the recognition of the U.S. Orders and the other relief sought in the proposed Second Supplemental Order is necessary to protect the Canadian Debtors and preserve the value of the Canadian Business for the benefit of a broad range of stakeholders.

85. The requested relief will assist with and facilitate the efforts of the Yellow group, including the Canadian Debtors and the Yellow Parent, to pursue an orderly wind-down of their business and operations in the Chapter 11 Cases and also advance efforts to seek bids for the sale or sales
