1.0 INTRODUCTION

1.1 This report (the "**Supplemental Report**") supplements the Second Report of the Receiver dated July 30, 2026 (the "**Second Report**"), filed in connection with the Receiver's Motion, returnable August 18, 2026, for Orders approving the C&I Transaction and the Residential Transaction and granting related relief. This Supplemental Report should be read in conjunction with the Second Report. Capitalized terms used and not otherwise defined herein have the meanings given to them in the Second Report.

1.2 As described in paragraphs 8.7 to 8.12 of the Second Report, certain of the Project Agreements to be assigned by the Grasshopper Entities to the C&I Buyer under the C&I Transaction require counterparty consent to assignment (the "**Consent Required Contracts**"). The Receiver has identified: (a) 24 Property Leases that require the consent of the applicable C&I Landlord; and (b) all 132 Connection Agreements that require the consent of the applicable local distribution company ("**LDC**").

1.3 The C&I APA provides that: (a) the Receiver and the C&I Buyer will use commercially reasonable efforts to obtain any necessary Counterparty Consents to the assignment of Consent Required Contracts; and (b) if a Counterparty Consent is not obtained, the Receiver shall seek a Court order approving the assignment of such Consent Required Contract to the C&I Buyer.

1.4 The purpose of this Supplemental Report is to describe the process undertaken by the Receiver to obtain Counterparty Consents and the status of the Counterparty Consents received as of the filing of this Supplemental Report.

2.0 NOTICE OF TRANSACTION AND ASSIGNMENT

2.1 Following service of the Receiver's Motion Record on July 30, 2026, the Receiver sent a letter to all 132 C&I Landlords advising them of the C&I Transaction and the assignment of the Property Leases to the C&I Buyer. For the 24 Property Leases that are Consent Required Contracts, the letter also requested that the C&I Landlord deliver a Counterparty Consent, and advised that, failing delivery of a Counterparty Consent, the Receiver intended to seek, as part of the C&I AVO, an order of the Court assigning the tenant's interest in the Property Lease to the C&I Buyer. The form of letter sent to the C&I Landlords for Property Leases that are not Consent Required Contracts is attached hereto as **Appendix "A"**, and the form of letter sent to the C&I Landlords for Property Leases that are Consent Required Contracts is attached hereto as **Appendix "B"**.

2.2 Following service of the Receiver's Motion Record on July 30, 2026, the Receiver also sent a letter to each of the 14 LDCs party to Connection Agreements with the Grasshopper Entities advising them of the C&I Transaction and the assignment of the Connection Agreements to the C&I Buyer. The Connection Agreements generally provide that they can be assigned with the consent of the applicable LDC, not to be unreasonably withheld. Accordingly, the letter to the LDCs requested that the LDC deliver a Counterparty Consent, and advised that, failing delivery of a Counterparty Consent, the Receiver intended to seek, as part of the C&I AVO, an order of the Court assigning the applicable Grasshopper Entity's interest in the Connection Agreement to the C&I Buyer. A copy of the letter sent to the LDCs is attached hereto as **Appendix "C"**.

2.3 In addition, all of the letters to the C&I Landlords and the LDCs (collectively, the "**Notice Letters**"), among other things: (a) provided a link to the Receiver's Case Website and noted that the Receiver's Motion Record for approval of the Transactions, and all other materials filed in the Receivership Proceedings, were available on the Receiver's Case Website; (b) advised that the Receiver intended to seek the C&I AVO at a hearing scheduled for August 18, 2026 at 10:00 a.m.; and (c) invited the applicable counterparty to contact the Receiver with any questions regarding the C&I Transaction or the proposed assignment.

2.4 The Receiver sent the Notice Letters by e-mail on July 30, 2026 and by mail on July 31, 2026 using the contact information available to the Receiver based on the books and records of the Grasshopper Entities and the Receiver's interactions with counterparties during the course of the Receivership Proceedings. The Notice Letters mailed to C&I Landlords and LDCs with Consent Required Contracts were sent via registered mail.

2.5 On August 7 and 10, 2026, the Receiver sent follow-up e-mails to C&I Landlords and LDCs, respectively, that are parties to Consent Required Contracts and that had not responded to the Notice Letters sent on July 30 and 31, 2026. From August 11 to 13, 2026, the Receiver also made follow-up calls to these C&I Landlords and LDCs. The Receiver has also engaged in correspondence and discussions with certain C&I Landlords and LDCs regarding their questions on the proposed assignments.

3.0 RESPONSES REGARDING CONSENT REQUIRED CONTRACTS

3.1 As of the filing of this Supplemental Report, with respect to the 24 Property Leases that are Consent Required Contracts:

(i) C&I Landlords with respect to 11 Property Leases have delivered a signed Counterparty Consent;

(ii) C&I Landlords with respect to five (5) Property Leases have indicated that they consent to the assignment of the applicable Property Lease(s) pursuant to the C&I AVO; and

(iii) none of the remaining C&I Landlords have indicated that they oppose the assignment of their Property Lease(s) pursuant to the C&I AVO.

3.2 As of the filing of this Supplemental Report, with respect to the 14 LDCs that received a Notice Letter regarding the assignment of the Connection Agreements:

(i) four (4) LDCs, with eight (8) Connection Agreements in aggregate, have delivered a signed Counterparty Consent; and

(ii) none of the remaining LDCs have indicated that they oppose the assignment of their Connection Agreement(s) pursuant to the C&I AVO.

4.0 ASSIGNED CONTRACTS SCHEDULE

4.1 Schedule "D" to the proposed C&I AVO lists the Assigned Contracts to be assigned to the C&I Buyer pursuant to the C&I AVO (the "**Assigned Contracts Schedule**"). The version of the Assigned Contracts Schedule attached to the Receiver's Motion Record listed all

Consent Required Contracts. Attached hereto as **Appendix "D"** is an updated version of the Assigned Contracts Schedule that removes all Consent Required Contracts for which a Counterparty Consent has been received as of the filing of this Supplemental Report. At the August 18, 2026 Court hearing, the Receiver will seek the assignment of each of the Consent Required Contracts listed on the updated Assigned Contracts Schedule attached hereto as Appendix "D".

4.2 As set out on the Assigned Contracts Schedule, the Receiver is not aware of any Cure Costs owing in respect of the Consent Required Contracts.

This letter is to request your written consent to the assignment of the Grasshopper Entity's interest under the Connection Agreement (the "**Assignment**") to St. Regis Solar Power Corporation (the "**Purchaser**"). The Purchaser is an affiliate of Skyline Group of Companies, an asset management firm based in Guelph, Ontario with extensive experience owning and operating clean energy projects across Canada.
